3• old pet shop

You appear in an old pet shop recently abandoned many objects and maybe snake are still found

4• Silver tray with cloche

All around you is black until you notice that you are standing on a tray, the bell now removed it looks like someone has found you deliciously cute!

5• Land of tales

Maybe there's a place in a fairytale/a game/story or any media related to snakes that particularly speaks to you. If that's the case, you'll appear there. What's more, at the end of the jump you can add it and all its contents to your warehouse.

Free Pick.

You are free to choose where you choose from the available options.

Age and Gender

Freely choose your own age or gender.

Origins

Drop-In [Free]

You are dropped in this new universe with no background, memories, or documentation.

Snakes Tales [Free]

You are an inhabitant of this world full of legend and myth, and the magic of this place has endowed you with the ability to use the power of tales and stories.

Legendary snake [Free]

You are a strange snake with snake-like powers considered by most of the world's inhabitants to be mere rumors, cryptids and legends in their own right.

Race

Snake [+200 CP]

You're a little noodle. If you couldn't talk, it would be hard to tell you apart from a normal snake. If you want to take a bigger like green anaconda or something similar you can but you don't get the +200 CP

Anthropomorphic snake [free]

You may stand on your tail, you may look like an anthropomorphic noodle the size of an adult human... What is a human? Maybe it is a cryptid.

Lamia [free]

Whether you're a tiny lamia the size of a small snake standing on her tail or a human-sized lamia this option is for you

Strange snake [200 CP]

You are a supernatural snake can be a Tsuchinoko, Amphiptère or other from another media and have its power and weakness, if the lovely noodle you choose has perk associated with him on this jumpdoc you can take them for free

Perks

Origins get their 100cp perks for free and the rest are discounted to 50%.

General [Undiscounted]

Snake hair [100 CP]

Like Medusa your hair is or has little snakes, these move and act like your true self so if you're tsundere they'll betray your true adorable noodle nature. What's more, if you have ocular powers or powers that can be transferred to these little snakes, they can use them at the same level as you.

Venom [200 CP]

As a snake, you can have venom naturally, but with this skill, you can use anything you've drunk at any given time as venom, allowing you to use a variety of poisons or medicines. This recharges over time as if it were normal venom, and you are immune to anything you drink to activate this feature.

swallow like a snake[200 CP]

Just like all snakes, even without this power you can eat things bigger than yourself... Well in your case "bigger" can reach a ridiculous size plus with this you've reached a new level of gluttony you can now eat as much as you want all the excess food will fill a dimension pocket and be used for when you get hungry. You can also store whatever you want in it without digesting it.

Cuddle[200 CP]

You're incredibly good at immobilizing someone, whether it's to cuddle them or break their bones, it's up to you. Any skill that can be linked to this is amplified, and you're also familiar with a number of martial arts used to immobilize someone.

Medusa [400 CP]

Your eyes can petrify the people you look at, and your blood can create dangerous noodles... Very dangerous! What's more, you can be very pretty or very scary, depending on what you prefer.

Drop in

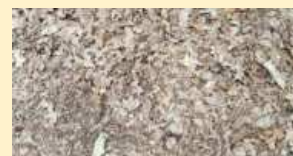

Hoop snake [100 CP | Free for Drop in]

Snakes crawl on their bellies, yes, but this one hasn't been informed and neither have you, apparently like this snake or the Tsuchinoko, you can put your tail in your mouth and become a wheel, rushing at your prey at full speed.

Camouflage [100 CP | Free for Drop in]

Like many species of snake, you're very good at hiding, and if you don't move you could almost look like you've just appeared.

Joint snake [200 CP | Discounted for Drop in]

You've just been cut into several pieces of delicious dangerous noodle's sashimi! Don't panic, thanks to this perk you can easily put your pieces back together again, but be careful not to confuse a knife with a part of your body!

Snake are my friends [200 CP | Discounted for Drop in]

You're a snake expert, you know how to handle them without risking being bitten, and snakes are more likely to be friendly with you.

Snake alchemist [400 CP | Discounted for Drop in]

You are a specialist in dangerous noodles, you know how to create medicines with their venom or even terrible poison, the rituals and uses of each part of the snakes come to you much more easily and effectively

They are in the walls [400 CP | Discounted for Drop in]

Snakes are mysterious creatures and part of their aura of mystery comes from their ability to disappear into small cracks. You can now do that too, no matter how big the hole, and even if it's obvious you can't get through, you can now.

Snake shedding [600 CP | Discounted for Drop in]

You can get rid of your skin, if you do and moult you lose all curses, permanent damage and you regenerate to your optimal state. Once per jump if you were to die this perk activates automatically and saves you at the cost of not being able to use it for the next ten years.

The never-ending cycle [800 CP | Discounted for Drop in]

You are a serpent similar to the Ouroboros, representing infinity. You can make the time-limited effects of a spell or potion that affects you infinite, and with each jump you can add one more. What's more, you can now use life and death magic.

Snakes Tales

Snake Staff [100 CP | Free for Snakes Tales]

You can turn the sticks into dangerous noodles that follow your orders and then back into a staff

Biblical snake [100 CP | Free for Snakes Tales]

You're good at convincing people to do things they're not allowed to do

Macoui [200 CP | Discounted for Snakes Tales]

Like these snakes, you're a noodle who protects ships from bad luck. Every ship has one, so maybe you've already got a few new snake friends with you. Either way, your abilities at any naval job are supernaturally good.

"Lifting the cat" [200 CP | Discounted for Snakes Tales]

Like Jörmungand who, thanks to an illusion, took on the appearance of a cat, you can do the same and transform yourself into any kind of animal. It may be an illusion, but your real size will still match the creature you choose to take on the ideal form for going through the door.

Snake (zodiac) [200 CP | Discounted for Snakes Tales]

You have the powers of the Chinese zodiac snake, including a mastery of the element fire in Wuxing magic, as well as a good understanding of this type of magic.

"The White snake" [400 CP | Discounted for Snakes Tales]

You can talk to any animal in existence, and more than that, if you help them, they will remember and repay you by performing tasks that are potentially impossible for you but vaguely adapted to the type of animal in question... You didn't get this by eating the flesh of a white snake, did you?

"The Farmer and the Viper" [400 CP | Discounted for Snakes Tales]

Like the poisonous snake freezing to death in this tale, people want to help you when you're in need, even if they're your enemies or know you're not going to reciprocate, but you're such a cute noodle it would be sad if anything happened to you.

From snake to dragon[400 CP | Discounted for Snakes Tales]

Just like carp, our noodle friends can become dragons, and now you can too. This advantage comes with a very strange ability: you can evolve your race step by step, like the snake, passing from one species to another until you finally become a dragon. However, like them, each time you will have to survive a terrible tribulation, whether it be a natural disaster or a disastrous situation, and despite the enormous difficulty of these tasks, they will never be impossible.

Yasmin and the Serpent Prince [600 CP | Discounted for Snakes Tales]

You're not just a nice noodle but you're a dangerous magical noodle! You possess various powers, such as casting curses like the fey in the fairy tales and turning people into objects... Who says that nice snakes can't do that! With time, you could even perform a feat like throwing a bag of salt to turn the land into a salt plain.

The Devil Snake [600 CP | Discounted for Snakes Tales]

You're not just another snake, a snake who wants people to eat delicious apples, you possess the whole panoply of diabolical powers, whether it's transforming yourself, making unbreakable contracts on whatever terms you like, but where both parties involved have to agree, or anything else you can find in the legends, even though, fortunately for you, you're not weak to the holy crosses and you don't suffer from a crippling case of stupidity, or at least I hope you don't!

Seiryu[600 CP | Discounted for Snakes Tales]

You are the Azure Dragon of the East. In addition to possessing powers linked to wood, wind and spring, you have a great mastery of the principles of astrology, feng shui and taoism. What's more, you gain an advantage when you're in the East

Legendary snake

Amphiptère [100 CP | Free for Legendary snake]

You're a noodle with fluffy feather wings or dragon wings, both of which allow you to fly.

Snow snake [100 CP | Free Legendary snake]

You're a very strange snake, to say the least. Where other snakes don't appreciate the cold of winter, you're quite the opposite: you can thrive in extreme cold without any problem, and your pretty white coloring means you can camouflage yourself perfectly in the snow.

Jörmungand [200 CP | Discounted for Legendary snake] Like Jörmungand, who went from being a cute little noodle when he was thrown into the ocean to a gigantic snake covering the whole of Midgard, you can grow as big as you want, and your venom is now more deadly after nine steps.

Serpent cornu [200 CP | Discounted for Legendary snake]

You possess the power and, if you like, the traits of this snake, which is associated with water and rain. It has elk antlers, a crystal on its forehead, hypnotic iridescent crystalline scales that attract game and people, and it can cause extreme pain to the families of people who look at it.

Basilisk [200 CP | Discounted for Legendary snake]

You're not just a low-grade noodle, you're the king of snakes and you exude an aura of royalty that, despite your potentially small size, could greatly help you to recruit bigger and stronger snakes to your future kingdom. What's more, your poison is very powerful and you can use it with your fangs as well as your eyes alone.

Boitató [400 CP | Discounted for Legendary snake]

Are eyes delicious, little glutton? In any case you can manipulate flames, what's more you can drive mad or blind people who see you and speaking of vision you can see perfectly well in complete darkness.

Hydra[400 CP | Discounted for Legendary snake]

Like this multi-noodle, you have very good regeneration, if you cut off a head, two will grow back. What's more, your poison is very sticky and lethal, which makes it particularly difficult to get rid of and makes it easier to embed in the body. The best way to get rid of it if you touch it is to immolate yourself, which makes the wounds even worse.

Bakunawa [400 CP | Discounted for Legendary snake]

You have the powers of a voracious sea serpent with a taste for the moon, as well as being able to cause eclipses and eat moon-related capacity as if it were a tasty snack. You can cause earthquakes and storms.

**Ananta Shesha[400 CP | Discounted for Legendary snake]**

You are a snake living deep underground with a great determination to achieve your goal and remain unchanged, easily resisting the evil instincts of your species or any form of external corruption and whatever happens your mind is under your total control.

**Yamata no Orochi [600 CP | Discounted for Legendary snake]**

Just like the Yamata no Orochi, you can be a large snake made up of several dangerous noodles at once, all of which are you and can breathe a powerful venomous breath, plus you have additional processing speed reflecting the eight heads you possess.

**Apophis [600 CP | Discounted for Legendary snake]**

You're like Apophis, a dangerous divine noodle. You can eat the sun and all the powers associated with it, but you can also cause a whole host of natural disasters, as well as bringing chaos, darkness and death. And if someone kills you, too bad for them, because as long as you have a goal and do everything you can to achieve it, you'll be back every day.

**Rainbow snake [600 CP | Discounted for Legendary snake]**

You are a divine serpent capable of creating land, water and life, and you can transform yourself into a rainbow to travel from one body of water to another, no matter how far apart they are.

**Viritra [600 CP | Discounted for Legendary snake]**

You are a very powerful snake capable of stopping the flow of rivers and causing drought but that's not all you can fight a god and the only way to truly defeat you is to use a very specific material or condition by default it's either bones of a sage or foam one or the other is your weakness, you can however choose something else however nothing that is really impossible to find.

**Quetzalcoatl [800 CP | Discounted for Legendary snake]**

Like Quetzalcoatl, you're a divine snake with a wide range of divine abilities, including the morning star, light, wind, corn, merchants, arts, crafts, knowledge and learning. But that's not all you're also gifted at transforming yourself into many different forms, whether it's a man or an ant... And yes, you can summon corn and popcorn

Scenarios

Scenario One [Save medusa]

In this world of myths and noodles, all the tales and legends about them are not only true, but are currently happening. If you accept this mission, you'll have to help the Gorgon sisters and above all Medusa to fight against the hero Perseus and the evil Olympian gods Athena and Poseidon.

Reward

The Gorgon sisters can accompany you for free with 1000 CP and count as a single place with the friends you've made here. But that's not all you've defeated gods and heroes giving you a huge advantage when facing them and the power of a god slayer.

What's more, you can now eat the domains and other powers of defeated gods and heroes, making them your own, like Poseidon and Athena.

And that's not all. When you come across a snake in a jump it will be friendly and recognize you as a hero, helping you in your endeavor.

Scenario Two [search for the mysterious noodle]

Tsuchinoko, Amphiptère, Snow snake ♪ You've gotta catch them all, the Cryptids! Even in places populated by noodle and mysteries, cryptids are rare. They live in such remote places that some snake doubts their existence

Reward

You've proved that cryptids exist!

- Firstly, you gain the ability to make animals that are considered cryptids in your other jumps real, albeit a little rare, as well as a zoo/museum where you can store them. There's even a nice souvenir shop filled with criptide products and lots of plushy which is repeated every week.
- Plus you get a wing of the museum containing live or stuffed versions of every species of snake you've seen
- You'll also get 600 CP
