

Out of Context: Shadowkhan Supplement

V1.03 By DeverosSphere

This document can be used as a supplement in any Jump that would not otherwise have Shadowkhan within its continuity.

By taking this Supplement you have chosen to be a Shadowkhan and you will enter into that continuity as a Drop-In awakening while falling out of the local universe's **Shadow Realm**.

+1000 CP

If this Supplement is instead taken as an Isolated Jump you may select a setting of your choice even if it doesn't have a Jump Document and use this document as a ten year long Jump.

Origin:

There are normally nine tribes of Shadowkhan who tend to take on a number of different appearances to align with their tribe, six of them are hominoid shaped with half of those and the other three being monstrous in appearance.

You are now the tenth tribe, a new and unique type of Shadowkhan with unknown potential.

Warrior Khan

As one of the Warrior tribe Shadowkhan you look vaguely like a Human but with grayish-blue skin and glowing red eyes.

The canon Warrior tribes of Shadowkhan are the Ninja Khan, the Sumo Khan and the Samurai Khan.

Clawed Khan

As one of the Clawed tribe Shadowkhan you are hominid in shape but are clearly not human with your having some monstrous features with the most prominent of these being your powerful Claws.

The canon Clawed tribes of Shadowkhan are the Razor Khan, the Bat Khan and the Crab Khan.

Inhuman Khan

As one of the Inhuman tribe Shadowkhan you do not look anything like a human with your monstrous appearance being clear for anyone to see.

The canon Inhuman tribes of Shadowkhan are the Squid Khan, the Mini Khan and the Mantis Khan.

General Perks:

Shadow Form - Free

You gain a Shadowkhan Alt-Form that although more fragile than a human body, it will not age and if it takes enough damage will dissipate returning to the **Shadow Realm**. While in the **Shadow Realm** your Shadowkhan Alt-Form will regenerate to its optimal state within 24hrs. This could be considered a weak form of immortality however anti-shadow energies can potentially kill you such as types of magic, divine light and shadow destroying weapons.

Shadow Steps - Free

As a shadowkhan you have gained the power to turn into and travel through shadow and have the ability to phase through solid matter.

Using this power you can travel to the **Shadow Realm**, an empty place that seems to go on forever, seeming to be a red and black void filled with an eerie, mist-like sky. The only beings that reside within this realm are the Shadowkhan tribes and demon-like snakes.

The **Shadow Realm** also acts as a sort of nexus that when accessed, can transport you to any shadows within the reach of the **Shadow Realm**.

Shadow Born Origin - Free (Cannot be taken with "Possessed")

This is an **Out of Context Origin Perk**. At the start of a Jump you can use this Narrative Perk to set your entry into the Jump Setting as if you were a shadowkhan falling out of the **Shadow Realm**.

Shadow Magic -200 CP

With this Perk you gain access to the magic used by those who normally command and are consumed by the Shadowkhan. As a Shadowkhan you will not suffer the drawbacks of shadow magic being able to use it for not only replicating the abilities of Shadowkhan such as instantaneous travel but also summoning a small number of Shadowkhan Minions draining the light from an area and calling upon physical tendrils of darkness itself.

Mark of Tarakudo -400 CP

You are no lesser Shadowkhan, you have been branded by the Mark of Tarakudo elevating you to a lord of shadows. By calling upon this mark you are able to summon and control up to 50 basic Shadowkhan as if they were an extension of your will. Shadow Magic Booster: Shadow Birth Magic

You are no longer limited to summoning Shadowkhan and can instead use this magic to bestow the shadow equivalent of life to any form of Shadow being you design though the more powerful they are supposed to be the more power they will require to come into existence.

Mark of Tarakudo Booster: Second Coming of Tarakudo

You are no longer limited to summoning your own tribe of shadowkhan and can now summon up to 100 of each tribe of shadowkhan totaling 1000 from all of the tribes.

In addition to this all of your subordinates gain any advantages that any summoned shadowkhan would normally get.

Shadow Magic Booster: Leadership Magic

Through your magic you may act as a master of your war effort to boost your army's abilities including mental, physical and spiritual. When you deem it necessary you could use this magic to dominate their minds to turn them into killing machines and mandate their loyalty.

The harm caused to a soul may result in as little as a recoverable sense of hopelessness to permanent spiritual wounds that could potentially destroy the victims' soul, killing them in the process.

Shadow Magic Booster: Spirit Magic

You gain the magic to channel, summoning or using the power of spirits to do your bidding. This could be through summoning spirits as subordinates, using a spirit to empower weapons, or channeling a spirit into your body to gain completely new abilities.

Shadow Blast Booster: Cero

You channel and concentrate spiritual energy into a single point before firing it as a blast.

The rate for charging the spiritual energy and the maximum amount you can concentrate into a single point will improve with practice and training.

In order to copy a form of magic you may need to store a specific form of magical energy that is compatible with the casting of the spell.

Shadow Edge Booster: Gluttony or Pride

Whilst in your shadow form you are able to consume anything manipulating it as though it were a part of your body and adding it to your mass.

Through this you could absorb a statue and manipulate it so that it appears to be fully animate with its joints being a part of your shadow.

Items:

Any lost or stolen items will return to you after a week in the same condition as when you had it.

You will need to work out your Background with your Jump Chan, additionally you will lose all Items from this Supplement.

Dark Chi Warrior +300 CP (Exclusive to Warrior Khan)

You are no longer a shadow but instead a physical manifestation of dark chi magic sculpted into an orange-skinned warrior with dark eyes, pointed ears and glowing, cyan-colored tattoo.

You're prone to minor accidents that, while inconvenient, painful, or embarrassing, are not likely to kill you. You can expect any plans you make to suffer some kind of bad luck.

Acrophobic +100 CP

You are terrified of heights, and anything deeper than a 10-foot drop will make you weak in the knees.

Age Problems +100 CP

For the duration of this Jump, you lose all age resistance perks and powers.

Almost Entirely Dark +100 CP

Has the sun gone out or something? Everywhere you go, it seems like it's so dark that you could mistake midday for early night.

Always Left Behind +100 CP

Why do they keep leaving you behind?! You will find that Companions, allies, and benefactors are always ditching you to deal with things unrelated to your current predicament.

Amnesia; Jumpdoc +100 CP

You lose all memories and knowledge of what you purchased in this Out of Context Supplement and any connected Jumpchain.

Angered Factions +100 CP

Each time you take this, a different, random local faction will consider you an enemy once they become aware of you. There isn't a limit to how many times this may be taken.

Antagonistic Timing +100 CP

Your enemies keep showing up at inappropriate times.

Artificial Flashbacks +100 CP

You have horrific flashbacks to horrible events involving your family and yourself. These events never actually took place, and the flashbacks happen randomly.

As You Know +100 CP

Everyone expects you to already know what's going on, so don't expect to get any explanations.

At Least Buy Me Dinner First +100 CP

Dangerous entities have a habit of taking an interest in you... a romantic interest.

Awkward Affection +100 CP

You are really bad at expressing your affection. Every attempt you make is extremely awkward and unpleasant for anyone who observes it.

Bad Name +100 CP

Everyone you meet will assume your name is something that you find insulting or annoying, and nothing you can do will change it in your mind.

Behind Your Back +100 CP

People always say horrible, hurtful things about you whenever they *think* you're out of earshot.

Black Cat +100 CP

Expect to see ill omens that seem to suggest terrible things coming your way. Mirrors break in your presence, lone magpies drop-dead at your feet, and other strange, malign portents follow you. Let's hope these superstitions are just that.

Bounty +100 CP

It seems you've pissed off the wrong people. You have a notable bounty on your head, and while it's not enough to get the big guys interested, it *is* enough to draw the attention of random thugs.

Culture Shock +100 CP

This world doesn't have the same cultural standards you're used to, which isn't a problem if you're quick to adapt. Unfortunately, you *won't* be. You'll constantly butt heads with anyone whose cultural norms and social mores are different from your own. While you can slowly adapt, they'll always rub you the wrong way, and your overall experience here will be much less enjoyable.

Crop Rotation +100 CP

Pests and poor weather have had a serious impact on the local farming industry. Food will be harder to come across and far more expensive as a result.

Dark Memories +100 CP

You will now gain memories of a lifetime of abuse since early childhood. Though these memories are false, you will not be able to differentiate them from real memories beyond knowing they are fake.

Didn't Read The Instructions +100 CP

You don't know how anything works and refuse to have anything explained to you. Using any sort of equipment will require trial and error.

Disinteresting +100 CP

You seem to emit an aura of monotony, causing everyone who doesn't know you to think you are a boring stick in the mud that wouldn't know fun if it hit them.

Do you Feel Lucky, Punk +100 CP

You keep unintentionally making pop culture references that no one else seems to recognise.

Double Trouble +100 CP

You will always encounter twice as many enemies in the world, because every foe you face will have one identical copy that only you can see. The worst part is that this seems to be a Schrödinger situation, as the *real* one is never the one you defeat first.

Easily Deceived +100 CP

You're too trusting, willing to believe almost anything you're told, and become confused when you're told conflicting things.

Elites Everywhere +100 CP

Every group of opponents that you face will have at least one additional elite member.

Extended Stay +100 CP

You can increase the duration of this Jump by ten years. You can take this a maximum of ten times, increasing it by up to one hundred additional years.

Faulty Gear +100 CP

Any tools you attempt to use will rust and decay at an accelerated rate, and you won't realize how severe the damage is until it is too late to repair.

Friend List +100 CP

Random people claiming to be your friends keep showing up, but you won't remember any of them. Although some of them may be, most are trying to maliciously use you for their own benefit.

Friends to the Four Winds +100 CP

Instead of arriving at your Location Choice, your Companions are now scattered randomly throughout the setting. They won't be able to enter your Warehouse until they've found either you or one of your properties.

The Glitch +100 CP

Technology randomly fails around you, normally when you need it the most. You might be able to jury-rig a quick repair, but you'd better act quickly because while this won't be instantly fatal, it will make things more dangerous.

Gore Galore +100 CP

It seems that every creature you kill has ten times the amount of blood and viscera that you would expect, making it a real possibility of drowning in the blood of your enemies.

G-Rated +100 CP (Incompatible with “X-Rated”)

This Jump is now a family feature... or so it seems when it comes to you. Any attempts to swear, drink alcohol, take recreational drugs, have sex, kill someone, or anything that might warrant a PG rating will be averted at the last moment – often painfully and humorously.

Heroic Sayings +100 CP

You have several quotes and sayings that always come across as annoying or cheesy, which you unintentionally use every time you try to talk to others.

Hidden Knowledge +100 CP

People keep forgetting to tell you important things until it's *just* about to become relevant.

Hideous Haircut +100 CP

You have a haircut that everyone finds disgusting. They'll make comments about how ugly it is, and nothing you do will change it.

The Holiday Special +100 CP

Whenever you reach an in-Jump holiday, the world around you will start to follow the tropes of a Special Holiday Episode. This will happen for every main holiday, such as Christmas or Halloween, and at least once during the Jump for each lesser-celebrated holiday like May Day or April Fools' Day.

Honorbound +100 CP

You always do things as honorably as possible, such as informing someone if you intend to arrest (or kill) them before giving them time to surrender (or prepare) before taking action.

How Do I Keep Falling Into These Situations? +100 CP

Anytime you're not busy with something - whenever you aimlessly wander around, going for a jog, or you just have free time - you'll find yourself walking right into the middle of active trouble.

I Must Nap +100 CP

You need at least seven hours of sleep per day, or you'll feel exhausted.

I Spy +100 CP

Your enemies can easily spy on you without being detected.

In Another Castle +100 CP

Each time you attempt to complete a task or objective, you will find that you have been tricked and will have to repeat the process all over again. You'll not only forget this Drawback, you'll also forget every previous time you've been affected by it whenever you start a different task. This only triggers once per task and will not become an endless loop of deception.

Inconveniences +100 CP

You will constantly encounter minor obstacles that are uncomfortable to deal with.

Kick The Cook +100 CP

You are a terrible chef and everything you cook is disgusting. You can't even cook toast without making it *monstrously* vile.

Knowledge Lockout +100 CP

You lose all of your knowledge of the setting's universe and its continuities once you start the Jump.

Language Barrier +100 CP

You do not speak the local language, and no one here knows what you're saying until you learn.

Loser +100 CP

Anyone who doesn't know you will automatically expect you to fail at whatever you are trying to do. This will cause those who mean well to push you to work harder and those who don't mean well to attempt to discredit you.

Low Budget +100 CP

Something about this world just seems... *cheap*, with flying wires, plastic shields, old school lights, and tatty-looking monsters.

Magnet For Misfortune +100 CP

You have *terrible* luck. You're almost constantly hit by random, unpleasant, and painful bouts of misfortune.

Money Money Money +100 CP

Your avaricious desire for money and other symbols of wealth leaves you willing to go to extreme lengths to get more.

Never Mind My Head Trauma +100 CP

People don't care when you're injured.

Nightmare +100 CP

Every night, you'll fall asleep and suffer terrible dreams.

No Hard Feelings +100 CP

There's one random person who constantly tries to outdo you... And somehow, they keep succeeding before rubbing it in your face.

Optician Required +100 CP

Your eyesight is highly restricted, as you can not see anything other than indistinct blurs without wearing glasses. No form of healing can remove this drawback, and any form of contact lens will feel incredibly itchy.

Orphan +100 CP

Your in-universe parents are dead, and you are an orphan.

Pixelated Objects +100 CP

This pixelation in this Jump would shame an NES. Everything is blocky!

Plot Anchor +100 CP

Every plot seems to revolve around you, and no matter what you do, you will always be dragged into the story.

The Pollen +100 CP

You have hay fever, and it's really, *really* bad. Just a handful of flowers could leave you with blurred vision and sneezing for hours.

Prove Your Worth +100 CP

Every time you try to do anything, it seems that everyone wants you to complete an arbitrary task to somehow prove your worthiness. This won't be hard, but it happens all the time for even the smallest things. It may even cause you to get stuck in a worthiness spiral, requiring you to prove your worth to get things needed to prove your worth for some totally unrelated task.

Recurring Foe +100 CP

You have an enemy whom you have no way to convince to leave you alone. Each time they encounter you, they learn more about you and how to better face you in the future.

Rough Childhood +100 CP

You were not as lucky as some people. Your in-universe childhood was - or will be - abusive and painful to such a degree that you will be affected by it, even if you didn't really live through it. Gain an extra **+100 CP** if taken with **Just A Child**.

Scarred +100 CP

You either have horrible burns or horrible wounds, neither of which you can hide. You appear monstrous to others, causing most to feel deep fear at the sight of you.

Scripted Encounters +100 CP

You'll run into whatever threat you're dealing with more often. You won't automatically become a priority target, but sheer proximity is likely to put you at risk.

Shameful Attraction +100 CP

The worst kind of perverts keep seeking you out and trying to get you to fulfill their fetish.

Shy +100 CP

You find that it's incredibly difficult to talk with people you want to be friends with.

Sickly +100 CP

You have a poor immune system and are more susceptible to illness. You'll get sick at least once a month.

Silent Night +100 CP

Unfortunately not. An annoying narrator who constantly insults you and reiterates things that you already know will rhyme in your inner ear every. Single. Christmas.

Silent World +100 CP

The world seems emptier than it ought to be. You don't know what happened, but the population of your starting planet (or nearest equivalent) is *drastically* lower than expected. After including every named character, the population is at most **10%** of its expected total. If you would normally see eight billion humans, you can instead expect to see as few as eight *million* instead.

Simple Minded +100 CP

You find it difficult to understand somewhat complex topics, and you have trouble remembering when holidays are.

Stalker +100 CP

A random, ordinary human knows *everything* about you and is *obsessed* with you. They're also protected from any Perks or Powers that would help you find them quickly.

Stranded +100 CP

Instead of whatever your normal starting location would have been, you find yourself in the middle of a deserted island somewhere in an ocean.

Team Up +100 CP

It seems that you can't go anywhere without some random person showing up and joining you. What's worse, *they* always seem to get any of the praise you may have earned, and *you* always get all the criticism for the group's failures.

They Heard You +100 CP

Any time you say something mean about someone, they'll overhear you and probably get upset. You will forget you took this Drawback.

They Took My Loot! +100 CP

Any time you leave any treasure unguarded, expect thieves to show up and steal it.

This Is A Holdup +100 CP

For some reason, every two-bit henchman, sidekick, minor minion, and comedy relief character thinks they can kick your ass, and they're going to go out of their way to prove it! Expect to get mugged *a lot*.

This Is A Really Good Book +100 CP

Whenever you try to read a book, you get sucked into the narrative and ignore everything happening around you.

Thugs For Days +100 CP

Every day, a minimum of ten random thugs will show up and target you.

Touch Of Madness +100 CP

Things keep happening that leave you thinking you're going crazy... and maybe you are, but not because of this Drawback.

Turn-Based +100 CP

Whenever you enter into a fight with someone, you will find yourself transported into a weird pocket dimension where you are only able to take an action after each of your opponents in a fight.

Two Of A Kind +100 CP

People keep drawing parallels between you and other people, and these comparisons are *not* flattering.

Unknown Rival +100 CP

It appears someone has taken a shine to you, but not in a good way. They have abilities or a similar area of expertise to you, and they're *not* taking it well. They won't do anything to outright harm you, but they *will* try to one-up or challenge you, and there's not much you can do to get rid of them. If you beat them at their own game, they'll double down. If you try to help them beat *you* to get them to leave you alone, you'll come out on top purely by accident, which will, again, spur them to double down.

Unnecessarily Slow +100 CP

Everything that happens here seems to take forever, moving at a snail's pace. I hope you're a patient person.

Unwanted Crossover +100 CP

This drawback acts like a magnet for other settings, resulting in strange individuals from other worlds popping up and potentially causing us issues. These individuals tend to have power consistent with the power level of the chosen setting, but you won't have any way of knowing when someone new has shown up.

Wanted +100 CP

You have a criminal record somewhere out there. It has a surprisingly high bounty, but not so much that you will be sought out. People *probably* won't go after you as long as you stay away from wherever your wanted poster is.

Wearing Underwear on the Outside +100 CP

You have terrible dress sense, with everything you wear being the worst possible combination of clothing.

The Weirdo +100 CP

Everyone seems to think that you are a strange individual, and they will go out of their way to avoid you unless they actually need to speak to you.

What's His Name? +100 CP

No one seems to remember your name, so you've been given a nickname that really winds you up. What's worse, most people think that it's your actual name.

What's That Smell? +100 CP

No matter where you go, no matter what you do, something always smells slightly off. The source of the smell varies depending on your location, but it's always distracting.

What's Wrong With His Face? +100 CP

Your face has been messed up, leaving you grotesquely ugly and near-unrecognizable to everyone who knows you. Those with a weak stomach may be sick merely at the sight of you.

Where Did I Go Wrong? +100 CP

You can't tell the difference between confidence and arrogance.

Why Am I Naked +100 CP

You start this Jump naked, and your clothing becomes incredibly fragile as it keeps getting destroyed, leaving you in the nude.

X-Rated +100 CP (Incompatible with "G-Rated")

Things in this Jump are a little more... *explicit* than normal. Sex, drugs, murder, and a lot more are out there, and it's almost like this world is desperate to show it all off.

Amnesia; Local +200 CP

Until the end of this Jump, you can not remember the events of the setting you have entered.

Amnesia; Personal +200 CP

You have no memories of your personal life before entering the current Jump, but this does not affect academic, social, or media knowledge.

Amnesia; Jumper +200 CP

You lose all memories and knowledge you gained since beginning your first Jumpchain.

An Accident +200 CP

You keep accidentally falling into compromising positions.

Betrayal +200 CP

You keep trusting people who don't deserve it, and they keep betraying you.

Whether you're just that naive or it's against your better judgment, you keep trusting people who don't deserve it, and they keep betraying you.

Bigger Boss +200 CP

Any time you defeat an enemy, not only will their superior know, they'll also know *how* you did it.

Blinded +200 CP

You have lost your eyesight and will not regain it this jump.

Dark Minions +200 CP

Some odd physical embodiments of evil will seem to appear everywhere, and they always attack you. No one else ever seems to see them or interact with them, but those things seem to be drawn to you like ants to sugar. If the setting already has creatures of darkness or evil, they are now also drawn to you en masse.

Dead Or Alive +200 CP

You have a local criminal record, and anyone who recognizes you as the target may attempt to turn you in for the bounty.

Demonic Disturbance +200 CP

Your presence has caused discomfort for the demonic entities within your chosen setting. They will attack you on sight and may go out of their way to make sure any acts of evil in your area are directed towards you. If demons didn't exist in the setting beforehand, they do now.

Discount Budget +200 CP

Anything you get your hands on is always the cheapest alternative option.

Fighting Myself +200 CP

At least once per week, you will appear within an empty space outside of time and must fight to the death against a fake copy of yourself. This copy will have all of your Perks, Items, and Abilities, but regardless of how the battle goes, you will not truly die. You will still feel pain, however.

Friends From Beyond Your Dimension +200 CP

A powerful godlike being will interfere in your life, making it more interesting or fun for them to observe.

Godly Distractions +200 CP

Your presence has drawn the attention of the universe's local divinity. Though they will not take direct actions against you, they will pull strings to make things difficult for you until you choose to confront them. If no gods exist within the Jump continuity, your Jump-chan may choose to retroactively add the Gods, such as the Greek Gods, to the setting for this Drawback.

Hormone Problems +200 CP

You have a heightened state of arousal that makes it so that you are constantly in the mood and find those you are attracted to far more attractive.

Lemming Friends +200 CP

All of your in-universe allies gain an unfortunate lack of self-preservation, causing them to take actions that are obviously stupid or will likely end very poorly for them.

I Hate Fighting Me +200 CP

At least once a week, you will have to fight a counterfeit version of yourself. Some will be shapeshifters, artificial replicas, and occasionally incomplete clones, but none of them will have any Perks, Powers, or Items gained from a Jump-Doc.

Instructional Video +200 CP

Whenever you do something for the first time, you will be forced to watch a long, boring tape that doesn't actually explain anything.

Is this Blood +200 CP

You have an unfortunate habit of stumbling upon fresh corpses without any excuse or explanation.

Lemming Behaviour +200 CP

You lack any self-preservation. No matter the danger, no matter the threat, you seem to face it as though you are invulnerable. The greater the chances of you being crippled, maimed, or killed, the more excited you become.

Local Scale +200/300/400/600/800 CP

Your power, and perhaps your growth, has been restricted to align with the locals. Any Perks or Items you possess that exceed this power will be weakened if possible or otherwise made unavailable for you to use until you reacquire through normal means power roughly equal to your lost or weakened Perks and Items.

For **+200 CP**, you start the Jump with power equal to the local protagonist.

For **+300 CP**, your initial level of power will be capped at the general range of the supporting cast at the start of the fictional setting.

For **+400 CP**, your level of growth will be capped to match the growth of the local protagonist.

For **+600 CP**, you'll instead be limited to 90% of the scale of growth of the local protagonist.

For **+800 CP**, your scale of growth will be limited to 85% of that of the local protagonist, while your strength shifts so that it is never enough to make you as powerful as the story arc's main villain.

Looking For Help +200 CP

You often struggle to find allies and will often find yourself alone without anyone to trust.

Mirror Match +200 CP

Perfection +200 CP

You are now a perfectionist and will refuse to accept anything less than perfection.

Pet Food +200 CP

The Good People +200 CP

It seems that everybody wants something from you. They want you to get their cats out of trees or fetch them milk for their tea, and if you refuse to do a task for someone, you're the asshole. On the bright side, if someone has already given you a task that you are currently working on, people are less likely to give you new tasks.

Thou Shalt Not Kill +200 CP

You are not capable of killing anyone, from the weakest of insects to the most dangerous of gods, thus giving anyone who may be killed by you selective immortality.

Too Soon +200 CP

Every attempt at a romantic confession or to kindle a relationship will crash and burn in a humiliating way.

Too Nice +200 CP

You tend to be overly accommodating of others, allowing them to dictate or make decisions for you. While most of the time this will be simple things, such as what to eat or where to go, if left unchecked, you could find others determining your whole life for you.

Alternative versions of you from the future keep showing up and causing disturbances before disintegrating.

What The Heart Wants +200 CP

You have a massive crush on one of the main characters, as appropriate for you. You will discover which one when the jump starts.

Wider World +200 CP

This world is bigger than you would normally think, but this also makes it more dangerous. There are more magical schools, more super martial arts, more alien races that will target the planet, more magical creatures that will show up to cause trouble, and more that would normally not be shown, and all of them seem to think they should involve themselves in the plot.

You expect every word to be a thinly veiled threat, every offer to be a chance of betrayal, and every moment of weakness to be an opportunity to be attacked.

Amnesia: Pre-Jump +300 CP

You forget all memories and knowledge that you have gained prior to this Jump, but you retain all knowledge you will have gained from your In-Jump origin and background. This essentially makes you your In-Jump character after they gained your Perks, Powers, Items, and Abilities.

Cat Got your Tongue +300 CP

You are now mute and unable to speak verbally for the duration of this jump.

Competent Enemies +300 CP

All of your enemies will get situational intelligence whenever you face them, making them twice as competent.

You may select from either a left or right crippled arm, with each crippled arm lowering your hand-to-hand damage and accuracy with all weapons.

You may select from either a left or right crippled leg, with each crippled leg severely lowering mobility during combat. With one crippled leg, movement speed is halved, and with both legs crippled, movement speed is reduced to one-tenth.

Your list of enemies has expanded, growing to include beings from other settings. Perhaps you will face Egyptian pharaohs, strange children, furry animals, or something stranger.

Just A Child +300 CP

Living In Exciting Times +300 CP

Completely random but exciting things will nearly constantly occur around you. You can try to avoid interacting with them, but fate will often try to involve you regardless.

Today's Kind Of A Bad Day +300 CP

You Get One More +300 CP

If you do something annoying more than twice, you will get punished. How, why, by whom? Well, that will be situational.

Alone +400 CP

For the duration of this Jump, you can not import any out-of-Jump companions or followers.

If this document is taken as a Supplement, this drawback will not affect the companions or followers gained in the attached Jumpchain.

You must reserve this drawback, with the effects of the drawback taking place for the entire Jump.

Butterfly Wings +400 CP

Your mere existence will cause massive butterfly effects. The canon events are no longer protected, and every action you take will cause reactions that change the plot dramatically.

Empty Handed +400 CP

For the duration of this Jump, all out-of-Jump Items and Warehouse options other than your Body Mod are blocked.

If this document is taken as a Supplement, this drawback will not affect the items gained in the attached Jumpchain.

Someone doesn't like you. Maybe you wronged them, maybe your friends wronged them, or maybe there's just a huge bounty on your head. The point is, this person is going to try to kill you, and they will not stop trying to kill you until you or they are dead. They cannot be reasoned with, attempting to pacify them through supernatural means will not work, and while restraining them will buy you time, they'll find a way out.

Lost Or Found +400 CP

Your possessions keep winding up in the hands of the worst person to have them. Let's hope it's not world-shattering.

Powerless +400 CP

For the duration of this Jump, all out-of-Jump perks, powers, and abilities other than body mods are blocked.

At least 12 times a year, an imposter will replace one of your friends or allies. They are almost identical to the person they're replacing, but they will have malicious intentions.

PS1 Game +500 CP/+1000 CP

There is something wrong with this jump. Instead of it being the normal version of the universe, you are instead in a PS1 game.

For **+500 CP**, this means that what you see of the world will be blocky with flat textures on the floors, walls, and people who are now complex NPCs.

For **+1000 CP**, the entire world will function as a PS1 video game with events forced to stick to a linear plot with optional time-sensitive subplots. You will not gain a system for extra lives or any of the in-game power-ups. However there may be collectibles that do nothing.

You must reserve this drawback, with the effects of the drawback taking place for the entire Jump.

Auto-Punishment +600 CP

At some point during this Jump, you and all your allies will be defeated. There is no way around this. You will lose, and you will all be captured.

In Context Foe +1000 CP (Requires 2 or more of the following Drawbacks: “Powerless”, “Empty Handed”, “Alone”)

They will have double the total **CP** you gain in this Document, which they can spend however they wish in the unused Jumpchain.

Random Setting +1000 CP
