Tale of Bees Jumpchain

by Faucheusestar

Welcome to a world populated only by bees of all types and shapes, from the normal to the most extraordinary. This land is filled with tales and legends about its cute, fluffy creatures.

Take **1000 Choice Points** to fund your adventures.

Starting Location

*Roll a **1d6** to determine where you start, otherwise pay 100 CP to choose your Starting Location. Your place of arrival can be recuperated if you wish so as to be added to your warehouse.*

1• Forest
You start out in a pretty forest full of wildflowers, perhaps this forest is magical or comes from a fairytale, it's up to you to find out.

2**• Old beekeeping farm**
Around you are the remains of an old beekeeping farm, perhaps you could restore it to its former glory.

3• Beehive
You open your eyes in a hive full of buzzing friends of the same type as you and you hear a long life to the queen/king, and countless adorable creatures look at you

4• Golden apple
You open your eyes on a majestic valley hidden at the bottom of a cave, the light comes from a large hole in the ceiling or perhaps from large colored crystals, around you large golden apple trees are in bloom. You win **Immortal bees [100 CP | Free for Drop in]** for free.

5• Land of tales
Maybe there's a place in a fairytale/a game/story or any media related to bees that particularly speaks to you. If that's the case, you'll appear there. What's more, at the end of the jump you can add it and all its contents to your warehouse.

Free Pick.
You are free to choose where you choose from the available options.

Age and Gender

Freely choose your own age or gender.

Origins

Drop-In [Free]
You are dropped in this new universe with no background, memories, or documentation.

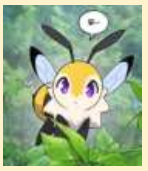

Good bees and lovely bumblebees [Free]
Aww, you're so sweet Jumper just like honey, you're shaped like a friend and it's thanks to your efforts and those of your friends that flowers and the natural world exist, but be careful, even the cutest Bumblebees can sting!

Vicious hornet [Free]
Some buzzing friends wake up one day and choose violence, and you may be one of them, not a bad thing in itself, but not everyone can be a bumblebee.

Race

Jumper isn't reduced to the lifespan of a normal bee

Pupa [+200 CP] or Larva [+300 CP]
You are at your Pupa or Larva stage , so you start the jump without being able to move, which can be taken with **Bee [+200 CP]** if you also want to be just a little bee/hornet/wasp.

Bee [+200 CP]

You're a little bee/wasp/hornet like creature. If you couldn't talk, it would be hard to tell you apart from a normal bee. You're already really tiny, so you can even choose the biggest species like the Asian giant hornet for free.

Anthropomorphic bee [free]

You may stand on your claws, you may look like an anthropomorphic bee the size of an adult human... What is a human? Maybe it is a cryptid.

Bee girl[free]
Whether you're a tiny bee the size of a small bee standing on her claw or a human-sized bee girl or other buzzing friend like hornet or wasp, or maybe you prefer girl/boy with just a bee theme? This option is for you

Strange bee [200 CP]
You are a supernatural bee/hornet/wasp or other from another media/tale/video games like pokemon and have its power and weakness, if the lovely bee you choose has perk associated with him on this jumpdoc you can take them for free What's more, you have a colony of your own species of bees and other buzzing friends at your command.

Perks

Origins get their 100cp perks for free and the rest are discounted to 50%.

General [Undiscounted]

Bees don't die from stings [Free]
When bees sting certain animals their skin catches the stinger and the poor bee dies tearing out their insides, and now you and none of your precious friends will ever have to suffer this again.

Therianthropy [100 CP]
You can transform yourself into a bee/hornet/similar creature or, if you are a bee, into a bee girl or an anthropomorphic bee. What's more, in humanoid form you have four arms and perfect coordination between them.

Honey [200 CP]
You can spit honey, which allows you to stick to your targets or simply create a delicious ingredient or whatever you want to do with it.

Flower gardener [400 CP]
You and your colony can greatly improve the growth and health of the plants and other flowers you pollinate, making it much easier for them to spread.What's more, the land where you stay and take care of is becoming increasingly prosperous. With time and effort, you could make a desert or an unsalvageable area bloom.

Drop in/ royal bee

Immortal bees [100 CP | Free for Drop in]
One sad thing about bees is that they die quickly, although yours won't. Perhaps you and your subjects have been foraging for golden apple blossom, but in any case none of your lovely friends will die of old age.

"The birds and the bees" [100 CP | free for Drop in]
As a Drop in you often get questions you don't really want to answer with this you can say 'birds and bees' and just like curious children your audience will decide it's an acceptable answer... Although it will potentially cause misunderstandings about whether the answer is really about cute bees and birdy.

Great speaker [200 CP | Discounted for Drop in]
You're a great speaker, which isn't surprising given all the bees in the world, one must have landed on your lips when you were little!

Bee from be(e)yond [200 CP | Discounted for Drop in]
It is said that bees travel freely between the world of the dead and the living, possessing the wisdom of that beyond and able to deliver messages from it. Now you and your bees can too, ideal if you want to open a postman service.

Spelling Bee[200 CP | Discounted for Drop in] You never make any mistakes in language or writing, which means you're not so careless that you go from bee to not to be... let's just say that your spells and other rituals won't have that one rune too many or not in the right place to make you explode. What's more, you're the world dictation champion, but humans will surely disqualify you for being a bee!

Beeline[400 CP | Discounted for Drop in]
You can get from point A to point B using the shortest route, and that route is... instant teleportation! As long as you have an idea of where you want to go, whether you're looking at a map or seeing it from above, you'll get there. Even if you may have to fight your way along if there's an obstacle strong enough to slow you down normally or endure a more unpleasant route, it's always the shortest route!

Honey never goes stale [400 CP | Discounted for Drop in and Good bees and lovely bumblebees]
Even after three thousand years, the honey found is still edible, thanks to your new powers of adorable bees. You can now apply a layer of honey to anything and it will no longer become stale, oxidized, rusty or damaged by time.

Royalty [400 CP | Discounted for Drop in]
Although queen bees don't actually direct the bees, you do! You can more easily direct your subjects and their productivity will increase, what's more the bees will more easily recognize you as their rightful leader.

New bees [400 CP | Discounted for Drop in]
Maybe normal bees aren't enough, maybe you want to create your own unique species of bee? In any case you'd be right, there are never enough bees! And with this you could create lots of new species of bee and other buzzing friends... and yes, you can create bees based on puns!

Hive mind [600 CP | Discounted for Drop in]

You are the hive and the hive is you, every little bee in your hive is under your full control and you see through them, you can scatter your body into a cloud of bees and as long as you have enough bees left to form your silhouette you won't die.

Bee keeper [600 CP | Discounted for Drop in]

Under an ancient contract signed by the first queen, you can call upon an eldritch divinity, a huge bipedal creature that can make flowers grow everywhere they weren't there before, using a strange smoke to put you to sleep, building huge houses for you and defending you against all the frightening creatures. Strangely enough, all this divinity wants is honey... And she doesn't want an impossible amount of it, far from it!

Bhramari [600 CP | Discounted for Drop in]

You are the goddess of bees, wasps and hornets. You can conjure up swarms of these strangely black insects to create a gigantic form or to overwhelm enemy ranks.

Good bees and lovely bumblebees

Sting like a bee [100 CP | Free for Good bees and lovely bumblebees]
you're capable of fast, precise and devastating strikes, whatever the means used, it's clear that you're no longer a beginner.

Architect [100 CP | Free for Good bees and lovely bumblebees]
As bees, your architectural skills are masterful, and even more so when you add a bee theme, you can create gigantic buildings of astonishing solidity.

Magic beeswax [100 CP | Free for Good bees and lovely bumblebees]
Bees and bumblebees don't just produce honey, you also produce beeswax, which you can now generate to create structures and other candles. What's more, the wax, honey and everything else produced by you now has some magical properties linked to you.

Delphic bee [200 CP | Discounted for Good bees and lovely bumblebees]
You are a bee capable of prophecy, like the Delphic bee in Greek mythology.

Bumblebee [200 CP | Discounted for Good bees and lovely bumblebees]

Just like bumblebees, you're far too adorable for the laws of physics decreeing what can fly and what can't to apply. The fluffier and more adorable you and your creations are, and even more so if there's a little bee theme, the more aerodynamic you'll be.

Hexagons are the bestagons [200 CP | Discounted for Good bees and lovely bumblebees]

What's obvious after all is the shape of the honeycomb! You can generate powerful magical barriers with this shape.

Waggle dance [400 CP | Discounted for Good bees and lovely bumblebees]
Come on, little bees, it's time to wiggle! You're really good at dancing! What's more, you can dance to pass on knowledge to other people like the bees do, which is a lot more fun than studying normally!

Pollen [400 CP | Discounted for Good bees and lovely bumblebees]
You can generate a cloud of pollen if it hits an enemy, who will start sneezing and suffering from severe hay fever; if it hits an ally, they will quickly heal instead.

"The Queen Bee" [400 CP | Discounted for Good bees and lovely bumblebees]

You can talk to any animal in existence, and more than that, if you save them like saving a hive from villains who wanted to suffocate the bees for fun, for example, they will remember and repay you by performing tasks that are potentially impossible for you but vaguely adapted to the type of animal in question

Hug [400 CP| Discounted for Good bees and lovely bumblebees]

You've mastered the art of the armed cuddle... And yes, not only are your hugs incredibly comfortable, but for every extra 'bee' you can make people melt with comfort or burn them like normal bees that overheat their target if the situation calls for it.

Save the Bees [400 CP| Discounted for Good bees and lovely bumblebees]
The good thing about being a lovable creature who saves the world is that people remember it... or at least, with that advantage, they do! As long as you stay on this path and prove your usefulness, many people who have been helped by your actions will create a fan club around you and use their influence to make you a creature to protect and help.

Massive Carpenter bee [600 CP | Discounted for Good bees and lovely bumblebees]
Is it a plane? Is it a giant bird? No, it's a giant bee the size of a cow. You are an improbable hoax that appeared in Japanese newspapers in the 19th century. What's more, your improbable size can now be extended to anything ordinarily small, such as transforming a small flower into a giant blossom or other bees into bees of your size, which won't cause any of the problems that would normally arise if the laws of physics and respect for energy consumption were taken into account. What's more, you and everything you enlarge can return from normal size to giant size whenever you want and vice versa.

Friend shape [600 CP | Discounted for Good bees and lovely bumblebees]
Clearly, the expression 'if it's not a friend, why is it a form of friend' doesn't apply to you, because you really are a friend! Like bumblebees, you're adorable and give off an aura of ditzy little creatures that greatly reduces aggression around you. Even the most cold-hearted villain might roll his eyes at you before booping you, and over time he might even become kinder and saner, but be warned, this power only works if you're not attacking the person, you're a bumblebee, not a nasty wasp!

Bee Deity [600 CP | Discounted for Good bees and lovely bumblebees]
You are one of the many divinities linked to agriculture and honey and bees that appear in myth and folklore, not only do you possess the abilities that come with being a deity like using bees as messengers but you can also bless beekeeping farms so that they produce more and do not suffer from illness and other inconvenience.

Vicious hornet

Diamond needle [100 CP | Free for Vicious hornet]
As in the tale THE WASP, THE WINGED NEEDLE AND THE SPIDER, your sting is made of diamond, making it much more solid.

Abeille vautour [100 CP | Free for Vicious hornet]
As with the bees of the same name, you and your colonies can transform meat into a substance similar to royal jelly, a particularly noble and tasty delicacy. Your little ones are literally all fed like princesses, but that's not all you can also, as in the mistaken belief, literally create honey from meat alone.

Jigoku no dokumushi [200 CP | Discounted for Vicious hornet]
You are an insect yokai, which gives you not only a violent poison, but also the physiology of a yokai. You strengthen yourself with the fear that people have of you and the time, and if someone uses a power to absorb energy or black holes or other singularities in your presence, you can seriously poison them.

Poison darts [200 CP | Discounted for Vicious hornet]
You can create poison darts and throw them at your opponents and you're a master at throwing darts. This way, you can become an even bigger threat to society and hold up all the delicious meat at the barbecues in record time!

Hornet's nest [400 CP | Discounted for Vicious hornet]
You may choose subjects or even actions as being a bad idea to talk about or to do. Most people will be hesitant to do them, seeing the worst consequences possible even if they are improbable.

The Christmas Wasp [400 CP | Discounted for Vicious hornet]
You are this mysterious wasp of large size and incredibly irritating buzzing that appears in various folklore. Your sting is so powerful that it repels ghost dogs and devil, giving you a slayer effect against these types of creatures.

Mad as a hornet [600 CP | Discounted for Vicious hornet]
What an angry little creature you are Jumper! When you get angry it's now terrifying as well as causing a lot of panic to the target of your rage, you become much more aggressive and strong, a real miniature berserker!

Items

Items may be imported into similar - items, weapons to weapons, clothes to clothes, etc.

Drop in/ royal bee

Beekeeper outfit [100 CP | Free for Drop in]
A beekeeper's outfit and everything you'll need to practice this profession, from collecting honey to storing it in pretty jars.

Treasure [100 CP | Free for Drop in]
It's three hundred gold bees with garnet-encrusted wings, a treasure that could be worth a lot of money to you, especially if you don't melt them down to recover the gold.

Bee-themed tablet [200 CP | Discounted for Drop in]
This bee-themed tablet collects all the information from your adorable friends in real time, whether it's what they see or precise maps of the surrounding area, such as areas where there are flowers that are very useful for finding food or extremely rare plants.

Mad honey [200 CP | Discounted for Drop in]
Well, Jumper, you want to have some fun, or maybe you're the Pablo Escobee of bees! In any case you have several hives as well as the environment necessary for the production of hallucinogenic honey.

Meadery [400 CP | Discounted for Drop in]
Your own meadery is managed by cute bees and bee girls working there. It comes with all the existing mead recipes as well as the equipment to make it except the honey but you're a bee that shouldn't be the difficult part, this company sends you its profit as well as bottles every month. Sometimes a bottle of a strange mead is found labeled 'Suttungr mead', and anyone who drinks it becomes a great Skald and an exceptional scholar who can more easily find the answer to any question.

Medicinal beehive [400 CP | Discounted for Drop in]
You're like that mysterious figure we call the beekeeper, you own several hives in the shape of what you wish, could be your favorite buildings where adorable bees live and with each new queen another hive appears. The honey that is produced possesses far more powerful medical virtues than normal honey, making it even more useful!

Royal jelly crown [600 CP | Discounted for Drop in]
A transparent crown with a pretty bee theme as well as being a symbol of your authority and it reinforces your subjects, it contains royal jelly which is refilled a little every day. This royal jelly doesn't just work on bees, but on all plants, creatures and objects, transforming them into a much more powerful royal version. A snake, for example, will become a basilisk because they are the royalty of their species.

Good bees and lovely bumblebees

Telling the bees [100 CP | Free for Good bees and lovely bumblebees]
As is traditional, you are notified of all important events, whether births, deaths or large-scale events that might be of interest to you, and you always get a piece of the wedding cake when someone gets married.

It's a strange box with a bee and floral theme, inside which are random grains of flowers from the current jump. Each time you open the box, it's filled again with enough to fill the world with lots of pretty, delicious flowers.

The Bees, Wasps And The Hornet [200 CP | Discounted for Good bees and lovely bumblebees]
Your know-how is exceptional you could even say they're the bee's knees in their category and there are many people who would like to steal it and say that it comes from their work with this stamp with the honeycomb logo (or your emblem) everyone will know that they are lying and this includes retroactively, on objects that you did not mark or even on things like ideas, the courts will always give you victory!

The cutest bumblebee plushy ever [200 CP | Discounted for Good bees and lovely bumblebees]
There's no doubt about it, you're looking at the most adorable cuddly toy of all time. Not only is its softness unequaled, it stays clean, never gets damaged and just holding it can cure anyone of any form of depression, even the big bad edgy! What's more, he's alive and loves to cuddle, reminding a lot of a certain orange slime.

Take this cake and be my friend! [400 CP | Discounted for Good bees and lovely bumblebees]
The gods love honey, it's their favorite food, or so you'd think from its long use as an offering, and you have this wonderful cookbook to concoct divinely tasty honey pastries and other offerings with just a little practice. Most deities will be very receptive if you offer them honey cakes and may even bless or help you.

Beehive are larger inside [400 CP | Discounted for Good bees and lovely bumblebees]
It's a small beehive inside which you'll find all the facilities you need for your work with bees. You and everything in it can be miniaturized by going inside, so you can create factories that take up practically no space, maybe you could integrate them into a mecha! You can transform any beehive into one with the same properties.

The Bee and the Orange Tree [600 CP | Discounted for Good bees and lovely bumblebees]
This kit contains an authentic fey magic wand made of ivory that can cast many spells if you use the formula 'In the name of the royal fairy Trusio,' then list what you want the wand to do, whether it's speak a new language and understand it, or transform into anything you wish, such as a bee or an orange tree. Plus you also get the boots of seven places

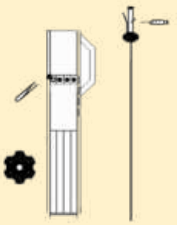

Kama's bow [600 CP | Discounted for Good bees and lovely bumblebees]
It's a bow made of sugarcane, the string is a chain of adorable bees and five flower arrows are delivered with this, and recharge at each jump, those shot by his arrows would fall in love.

Vicious hornet

Insect Net [100 CP | Free for Vicious hornet]
This insect net is perfect for catching any of your friends. It adapts to the size, material and general characteristics of what you want to catch. Going through boxes that miniaturize the bees when you store them inside

Bee book [100 CP | Free for Vicious hornet]
A collection containing each book of poems and stories about our buzzing friends, delivered with a few goodies on this theme.

Sacrifice [200 CP | Discounted for Vicious hornet]
You no longer have wasps and other hornets or bees, or perhaps you needed a lot of them because your bees have all disappeared, just as happened to Aristaeus. Well, like him, all you have to do is sacrifice this animal and its meat will be transformed into lots of new buzzing friends… You want more? sacrifice other animals, it'll work just as well as the first time!

Stinger [200 CP | Discounted for Vicious hornet]

It's a weapon that can be a spear, a rapier or something else, and it's very effective at injecting poison, with several spare blades and a mechanism in its hilt that allows you to change the blade contained in honeycomb containers filled with poison and other potions quickly.

Hives [400 CP | Discounted for Vicious hornet]

These little portable spheres are hives, put the body of a bee inside and you can now use them to release a swarm of particularly angry bees/frelons/wasps. Strangely enough they're very effective against people who can open black holes and other singularities that will end up poisoned once an insect gets inside. You get a new one every time you find a hive in the wild.

Drone bee [400 CP | Discounted for Vicious hornet]

Bees are a bit arrogant, don't you think? If the bees die, there won't be any more plants... Yes, that's a bit true, although there are other pollinators, but all you'd have to do is use drones, and with this you'll have a collection of insect drones of all kinds and shape (anthro, monster girl or normal), as well as a manual and the tools to make lots of new ones easily like making your own 2Bee. What's more, you'll earn spare parts in exchange for each dead bee you find, so you can replace them.

THE WASP, THE WINGED NEEDLE AND THE SPIDER [600 CP | Discounted for Vicious hornet]
You have three magical animals from this fairytale: a wasp with a diamond stinger, a spider that can weave a thread stronger than steel very quickly and a dragonfly that can fly without worrying about the weight attached to it. They come with a cage that can be transformed into a flying coach thanks to the wasp and the dragonfly, as well as a large silver purse and a diamond-encrusted coat.

Scenarios

Scenario One [Search for the Cryptid bee…]

Bee, bee, normal bee… where are the cryptids!
This time, more than usual, you'll have to find some mysterious bees, they're all based on puns like beever, most of which are so bad they'll give you the bumblebee, but that's just what you need, so get your bug net!

Reward
You've proved that there are too many bad pun about bees and other wasps

• Firstly, you have the chance to make real, if a little rare, all the animals based on preferably very bad puns, as well as a zoo/museum where you can store them. There's even a lovely gift shop filled with products to make the fathers of the family proud, seriously it's the death of humor and cuddly toys that are renewed every week.

• Plus you get a wing of the museum containing live or stuffed versions of every species of bee/wasp/hornet you've seen

• You'll also get 600 CP

Scenario Two [The end of the world]

Jumper the hour is grave, the bees disappear and a whole world of nasty abomination of a gargantuan size even for the monster girls bees, poisons the flowers and covers the world of concrete making disappear more and more these last ones seems to have merged with this one. What's more terrible disease and parasites seize the hives. You must save as many bees as possible or the world will come to an end.

You choose the methods to achieve your goal: perhaps you create a sanctuary by uniting all the bees of this world, perhaps you bring down the source of the problems by unleashing the wrath of millions of bees and other buzzing friends, or perhaps you make enough of these entities understand that they will die without your help.

Fortunately for you, some of these entities know that it will kill them too and are willing to help you in exchange for extra honey.

Reward
You've saved the world, Jumper! And it's inhabitant are grateful to you:

•firstly you get this world for free you can decide to add only certain part to your warehouse

• Secondly you've united all the bees and can therefore count for discounts as someone who has all three Origins of this Jumpdoc

• You'll also get 600 CP

Drawbacks

Self-Insert [+0]
So you want to be one of the Named characters huh, well if you take the appropriate background, race and skills as closely as possible then you are free to go in as any character you would like.

Supplement [+0 CP]
You can use this Jumpdoc as a supplement

Extended Stay [+100 CP]
For each purchase of this your time here is extended 10 years

Buzzing puns! [+200 CP]
I hope this doesn't give you the Bumblebee, because you'll bee cursed with making puns as bad as mine based on bees. I hope you've watched Bee Movie to prepare yourself because everyone will be talking like that for the next ten years!

You are a strange bee [+400 CP]
In this world populated by bees and other buzzing friends... Well, maybe not! You're not a bee, in fact you're just your old self in a very poor quality, albeit strangely cute and funny, bee costume. The problem is that you can't let anyone notice otherwise you'll have to wear a really stupid bee costume for the next ten jumps!

Bee mantle [+400 CP]
You have a Bee mantle that looks exactly like yours in your bee form, so you have to be careful that no-one steals it from you, so that you burn it, otherwise at the end of the jump you won't have your current form as alt form, imagine doing a jump on buzzing friends and not even being one at the end!

Partial Lockdown [+400 CP]
You have no warehouse and the only items you own are the ones you're carrying. What's more, your powers are adapted to the level of power in this world

Lockdown [+600]
You have no **Out Of Context** items, powers, or warehouse.

Decisions

You have three choices …

Go to next Jump
Continue onto the NEXT GREAT ADVENTUUUUURE!!!!!!

Stay
Stay and enjoy your current life.

Go back
