Tales of Butterflies

by Faucheusestar

Welcome to a world populated only by Lepidoptera of all types and shapes, from the normal to the most extraordinary. This land is filled with tales and legends about its cute, colored creatures

And strange as it may seem, normal butterflies are very popular as decorations, although some people campaign against their use and advocate more ethical versions such as imitations and other sculptures.

General [Undiscounted]

Camouflage [Free]
You're good at camouflage, whether it's your patterns and colors or your walk. It's very difficult to find you when you're not moving.

Beautiful like a Butterfly [100 CP]
You're so supernaturally beautiful that painters who see you will paint you, hoping to immortalize just a fragment of your cuteness! Like butterflies, you possess vibrant colors and, like adorable moths, your hair and fur are incredibly fluffy.

Skipper [200 CP]
You're incredibly fast, a real speedster for your species, and your current reflexes are now twice as fast.

Moro-sphinx [200 CP]
You may be fast, but your most amazing ability lies in your aerial maneuvers. With uncommon precision, you can hover, allowing you to enjoy delicious nectar in record time!

Monarch Butterfly [200 CP]
Like monarch butterflies, you're poisonous. Not only will those who try to eat you not appreciate it, but if it suits you, those who are about to try will realize, thanks to your pretty color, that it's not a good idea, and whether they're big monsters or parasites, they'll leave you alone.

Métamorphose [400 CP]
Although temporarily you can take on a super form by drawing on the energy you have accumulated by eating all its delicious leaves, for example.

Drop in

Float like a butterfly [100 CP | Free for Drop in]
You're incredibly graceful and agile, your steps seem to float and are like a dance. You're no longer a beginner when it comes to dodging.

Butterfly swarm [100 CP | Free for Drop in]
You can make a swarm of illusory butterflies appear by default on luna moths. These are mostly just pretty, but you can certainly find a use for them, whether as party tricks or to annoy someone.

Dream professor [200 CP | Discounted for Drop in]
Butterflies appear in your dreams, bringing your ideas and inspiration to help you invent and progress faster in what you want to do.

Sleepy [200 CP | Discounted for Drop in]
As with certain white butterflies in beliefs, watching your graceful, silent movements for too long can put people to sleep, giving them pleasant dreams.

Butterfly Effect [400 CP | Discounted for Drop in]
"A flap of butterfly wings could cause a tornado on the other side of the world." This sentence is a good representation of your new power, because now the smallest changes you make to achieve your goal will create a chain reaction in your favor. Perhaps the person you've just helped will happen to be related to someone important or will turn out to be useful to you.

Butterfly scales [400 CP | Discounted for Drop in]
If you get caught, you can instead decide to lose a few of your scales, which will take a few days to grow back, but you'll escape unscathed from even the most treacherous spider's web. What's more, you have great artistic talent, allowing you to use your scales to make magnificent mosaics and change the size of them.

Social Butterfly [400 CP | Discounted for Drop in]
Just like the expression, you're a very charismatic butterfly who can easily make friends and create a large network of people who can help you.

Butterfly soul [600 CP | Discounted for Drop in]
Butterflies are often linked to the souls of the dead and with this perk when you or your companion dies you can decide to activate it and become a butterfly alone or with them, if you survive long enough you resume your normal appearance, moreover you can fly freely between the world of the living and that of the dead as well as speak with the deceased by seeing them in the form of a butterfly.

Moon Moth [600 CP | Discounted for Drop in]
You possess powers linked to the moon and are able to channel its energy to heal, form powerful lunar rays or use any aspect linked to the moon. In addition, all items, perks and other items related to this theme are greatly amplified.

Obsidian Butterfly [600 CP | Discounted for Drop in]
You are not just a butterfly but a divinity, and your domains are all those that could be linked to the butterfly: like metamorphosis, inspiring your disciples in their dreams by enabling them to come up with new ideas, and many other things besides. You have your own dimension that can serve as life after death.

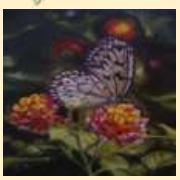

Butterfly tales

Plants Language [100 CP | Free for Butterfly tales]
As strange as it may sound you can talk to trees, flowers and other plants, if you have problems find an oak they are good psychologists and if you want advice on love ask the daisy but they are rather touchy

Polik-mana [100 CP | Free for Butterfly tales]
When you pollinate the fields and flowers, your flight is like a dance and greatly increases their prosperity. What's more, you can bring down invigorating rain even in the middle of the desert.

Luck and misfortune [200 CP | Discounted for Butterfly tales]
Like white butterflies and black butterflies you are an omen, in the morning and during the day you bring good luck to you and your friends, at night you bring misfortune to your enemies.

Don't touch it's mine! [200 CP | Discounted for Butterfly tales]
As with silk for China at one time, you have the strange ability to make it impossible to imitate your inventions and other techniques - people won't be able to do retro engineering and any attempt to steal the means of production will lead the thief to a disastrous fate.

Legend of Silk [400 CP | Discounted for Butterfly tales]
For you, curiosity is hardly a flaw, like the emperor's wife who discovers silk thanks to a cocoon that falls into her tea. Are you just as gifted at turning coincidence into invention, and more often than not you'll find yourself in fortunate situations that allow you to use this new perk.

Like a butterfly coming out of its chrysalis [400 CP | Discounted for Butterfly tales]
Difficulties are what forge you and even if this might seem strange to a Jumper you can now enjoy it too just like a butterfly coming out of its chrysalis, the more difficulties you have the more you will progress it may take you time and it will take you effort but the finish is sure to deserve it!

Oshira Sama[600 CP | Discounted for Butterfly tales]
You are a deity of silkworms not only do you possess the abilities that come with being a deity but you can also bless silk farms so that they produce more and do not suffer from illness and other inconvenience, speaking of silk you can produce divine silk and control moths

Cryptids

Butter Fly [100 CP | Free for Cryptids]
You're a butterfly, no I mean literally, you can generate butter or have the appearance of a butter tablet with butterfly wings.

Cat Erpillar [100 CP | Free for Cryptids]
You're a bit of a cat, but what is a cat? Who knows, you'll have some of their abilities, like always landing on your feet or their talent for hunting, for example. If a benefit, object or anything else needs to be a cat to work, it will work for you if it suits you.

Húdié [200 CP | Discounted for Cryptids]
Some butterflies can make people have sweet dreams, but for you it's the other way around. You can stand over a sleeping person, give them terrible nightmares and feed off their negative emotions.

Death Butterfly Swarm [200 CP | Discounted for Cryptids]
You're not just a butterfly, you're a swarm, and every butterfly in it is you. What's more, you possess venom that can even affect the living dead.

Mothman [400 CP | Discounted for Cryptids]
You can predict disasters in advance, giving you a premonition in the event of danger, useful for dodging an attack or for panicking Internet users.

Blood Butterfly [400 CP | Discounted for Cryptids]
And yes, there are butterflies that love blood, and now you have the power of the vampiric version of these magnificent creatures. You can heal by drinking blood, and you also have control over blood.

Butterfly [400 CP | Discounted for Cryptids]
You are not just a butterfly, you are judgment, the grim reaper itself, Where people die you appear whether in a dream or an unusual dimension. You can make the vilest beings cease to exist, but be on your guard, because if your target is too powerful, you will absorb it and be reborn in a new form.

Fairies [600 CP | Discounted for Cryptids]
You're a fairy, the scales on your wings are fairy dust that can make things fly as well as many magical uses, and speaking of magic, you have all the powers expected of a fairy, from creating wonderful objects to transforming people and things into anything.

Mothra [600 CP | Crypt discount]
You're a gigantic goddess kaiju moth, the scales on your wings can deflect rays, but losing them reduces your ability to fly.You can fly at supersonic speed and boost your friends. In addition to the lasers you can fire, if you die you will soon reappear in the form of an egg that will repeat your caterpillar cycle until you become a flaming moth again. Moreover you can use Mothra form as an alt form

Items

Items may be imported into similar - items, weapons to weapons, clothes to clothes, etc.

Drop in

The most delicious leaves [100 CP | Free for Drop in]
It's a strange world, butterflies live at least as long as humans, no doubt because of the delicious leaves that grow here, and by the way, you have a huge stock of them, vegetables and flower nectar, which fills itself up once finished. These leaves ensure that all the animals that eat them never die of old age.

Butterfly outfit [100 CP | Free for Drop in]
A collection of magnificent silk garments on the theme of butterflies, which do not get damaged or dirty and amplify the effectiveness of all the powers associated with insects and more specifically butterflies and other moths.

Departure of the Winged Ship. [200 CP | Discounted for Drop in]
This butterfly-themed ship, straight out of a painting, is much faster and more functional than it looks. It allows you to experience great adventures and explore the world in search of all the butterflies in it. What's more, its hold is filled with blank canvases. If you paint something on, it becomes a portal leading to it, making it easy to store your goods without weighing the ship down.

An ethical tool [200 CP | Discounted for Drop in]
Here's a strange object, this tool allows you to obtain the resources produced by animals without hurting them. For example, with this you could recover the cocoons of silkworms and instead of dying in the process a cute and perfectly healthy bombyx will come out and the ball of thread will be in perfect condition. What's more, it looks like someone will thank you, as it also doubles the amount of silk obtained.

Silk industry [400 CP | Discounted for Drop in]
You own this facility, which includes a mulberry forest where silkworms are reared to produce silk. Normally it only produces Ahimsa silk, although it's not as good quality and it doesn't endanger the little moths, unlike traditional silk, which would make you one of the biggest psychopaths this world has ever known, because I remind you that the lovely moths that live here are human beings… and the normal moth are equally too cute for kill them!

Silk Road [400 CP | Discounted for Drop in]
You own a naval company made up mainly of merchants, and in this world the Silk Road refers to your own merchant company. What's more, you make huge annual profits, whether in this world or the next, and your company will always be recognised as a great success.

Metamorphosis Cocoon [600 CP | Discounted for Drop in]
This object, which at first glance is a simple cocoon of your favorite butterfly species, has a very strange ability, if placed on a willing person it will grow to encompass them. Once inside, the person will transform into their ideal version, their species will change, as will their look to reflect their preferences. You can turn any normal cocoon into this one if you need more.

Butterfly tales
