General

Art Style **[100]-** You can now draw in the same art style as the Freezing manga, So whenever you decide to make a manga or some painting try this. Well, have fun with this skill.

Stigmata **[100/300/600] (**Pandora and Limiters get the **100** for free**) -** Stigmata are special tissues that grant superhuman abilities to Pandora and Limiters, The **100** is a normal Stigmata that produces energy called soul energy, **300** are the Heroic Stigmata can produce over three times the energy output of a normal Stigmata and have the ability to alert their owner to danger, **600** is the Legendary Stigmata can produce over nine times the energy output of a normal Stigmata and people have this have monstrous resilience, able to take blasts to the face while leaving them unscathed and they can deploy highly resilient barriers and possess almost "supernatural" beauty and development ability like advanced healing ability which is capable of rapid regeneration of lost limbs and other flesh wounds, to fire the feared Nova particle cannon, able to release massive shockwaves.

Stigmatic Body **[600] (Capstone Booster) -** An individual who possesses a high quantity of Stigmata in his or her body as well as having parts of their body made up of Stigma tissue making them more like half Nova than human in terms of power, granting them unique abilities.

Drop-In

Tactical **[100]-** Jumper your skill in war tactics is unparalleled allowing you to think on the spot no matter what situation you are in.

Weak points **[200]-** You're able to see your enemies' weakness no matter how big or small the enemies are, you're always able to know their every weakness.

Reverse Freezing **[400]-** Jumper you have the ability to give the Freezing ability to Pandoras the way of giving it is Similar to "Baptism" ceremony but with Pandoras,

creating a link to all the Pandoras that you gave the Freezing ability, the second ability of this perk is when you and all the Pandoras that are link to you will have the ability to reflect any Freezing ability.

All Freezing **(Booster):** Okay now you have to give the Freezing Ability to anyone no matter if they are not compatible with Stigmata at all.

Limiter/Pandora Hybrid **[600]-** Jumper your a special experiment you were made with the abilities of a Limiter and Pandora at the same time you have all the genetically modified of a Pandora and Limiter's technique of Freezing.

Perfect Harmony **(Booster):** Okay you're now the Perfect Hybrid you can now take both the Pandora and Limiter perk and items will be fully discounted as if you have both of their backgrounds.

{without the Capstone booster you can only Take two discounts on any Pandora and Limiter perk and treat two-item discounts for Pandora and Limiter as if you took that origin. And get Stigmata **100** for free**}**

Limiter

Freezing **[Free Restricted to Limiter and Limiter/Pandora Hybrid]-** The primary ability of the Nova and Limiters. A technique regularly deployed by Limiters and the Limiters gain the Freezing is by a Baptism is a ceremony in which a Pandora officially acknowledges a Limiter as her bond-partner that creates the bond known as an Ereinbar Set, which allows the Limiter to use Freezing. which has the sole purpose of lifting and creating a Freezing area to fight the hostile Nova mostly by stopping their movement it will take some for them to completely stop moving for like 3 minutes.

{After the jump it will work on any race of aliens from another dimension**}**

Percentage Calculation **[100]-** Jumper You have the ability to see all the variables of any situation and predict any potential outcome of an event and give it to your partner to have an effective outcome for you.

With all my Love **[200]-** Jumper anyone with the Opposite gender of you, your relationship with them will grow at an abnormal rate to the point of becoming lovers or treated like a family member, even if the person has some past Mental trauma or a phobia they will always trust you. {At the end of the jump the Opposite gender will be changed into preferred Gender.}

Power Bond **[400]-** Jumper the stronger your bond with your partner the more powerful you two will become, as long you and your partner have a good relationship the both of your abilities will keep increasing and if you two have a bad relationship it will cause a great decrease in you and your partner abilities.

Forever Together **(Booster):** So you and your partner will always have great Relationships no matter what and both of you two have a great chance of surviving anything that has a high risk of death.

Freedom Freezing **[600]-** Limiters can only use Freezing when there Pandoras who need to establish an Ereinbar Set with their Pandoras to enable their Freezing but not you Jumper you have the ability to cast Freezing all on your own like the protagonist but your Freezing has some special effects like giving allies a healing factor, Increase in defense and speed, Your Freezing is very powerful it can even Freeze Air creating platforms for the Pandoras to use, and even can able to release Pandoras from there Nova Form an form that will make any Pandora go out of Control.

Lord of Freezing **(Booster):** Your Freezing is unmatched and can't be stopped or countered no matter what, its power can be widespread and cover a whole city and can complete Freeze Novas in an Instant they can't even attack.

Pandora

Pandora Mode **[Free Restricted to Pandora and Limiter/Pandora Hybrid]-** Pandora Mode is an enhanced Anti-Nova suit that allows a Pandora to move more freely in a Freezing area without a Limiter. It also grants Pandoras an extra boost in power. Its main strength is to allow a Pandora to move while under a Freezing field. Reflexes and overall defense are greatly augmented while in Pandora Mode. Pandora Mode can only be maintained for three minutes and once the time limit is over, the Pandora will return to a severely weakened state, which leaves them vulnerable to attacks. {The ended of the time limit will be removed so you can use Pandora Mode freely}

Beauty **[100]-** Jumper You have become excessively attractive like all the Pandoras are very beautiful and now you're gorgeous like every Pandoras.

Type-Maria **[200]-** Type-Maria is a unique type of Pandora. They are born with natural Stigmata, and not implanted like regular Pandora making you very strong and durable to the point where you're able to stop a truck with one hand.

Control Nova Form **[400]-** Nova Form is a hybrid form that Pandora can assume, combining Nova-like traits with High-End Skills. Nova Form usually occurs when a Pandora pushes their Stigmata past their limits, which causes the corrosion rate to run amok. Nova form a Pandora's abilities are greatly increased and possess new skills including the ability to turn their arms into weapons, quick regeneration of dismembered

body parts and the ability to fire a high-powered energy beam from their Nova core, But if you take is perk you are in full control of Nova Form but beware don't use it to often if you do it will result in a Nova-type explosion, killing you and delivering devastating results to the environment.

Supreme Nova **(Booster):** Your Nova Form's Power is Equivalent to a Type-S "Supreme" Nova and even has some of its abilities. {This will be fixed at the end of the jump}

Transcendent Pandora **[600]-** You have transcended the limits of being a Pandora that mean you were able to evolve beyond human consciousness by removing them from human hands and When a Pandora uses their Transcendent abilities, their eyes glow and multiple wings of light, According to Ouka, the light wings of a Transcendent Pandora are made from Volt Texture particles that are created after the erosion rate of a Stigma passes a certain level. The wings are essentially an optical illusion. Transcendence provides an incredible increase in speed, defense, and power It allows one to draw out the maximum power of their Stigmata to make a stronger stigmatic material that increases one's combat abilities, Each Transcendent Pandora has demonstrated abilities unique to them. Because Transcendent Pandora possesses much stronger stigmatic material than most Pandora, their base level strength is much higher. However, they must actively tap into this power by generating wings of light in order to reach their full potential.

High Transcendents **(Booster):** Okay you are now at a higher level than normal Transcendent Pandora and have a special ability to have all the unique abilities of all the other Transcendent Pandoras and have their knowledge of all their special techniques.

Drawbacks

Freezing Zero **[+0]-** Jumper you chosen to go back in the past pick any what time you want to go back like go to Kazuha Aoi's time when she's still alive or when headmistress Margaret of west genetics was still a First Lieutenant or maybe when Rana Linchen is still in her home village run by the Kunlun Clan and being with her sister before the death of her.

Phobia **[+100]-** You now have a phobia, pick what Kind of phobia you have. **{**You can take it again five times**}**

Crazy adventures **[+100]-** You always get into Crazy adventures no matter what and I mean the adventures you will be in is like a Comedy anime so be prepared.

For the Fans **[+100]-** By taking this there will be a lot of fanservice but then again this is an Ecchi series so be prepared for fanservice situations like wrecked clothes and such where people will read the situation in a less than beneficial light - mostly for comedic effect.

Emotionless **[+200]-** You don't have any Emotions but you know what they are.

Forget **[+200]-** You don't have memories of this world or its plot, you just know who you're.

Fool **[+200]-** Jumper for some reason you act like an idiot in the most dangerous situation getting you and companions Nearly killed each time.

Nova Rush **[+300]-** There will be more Novas appearing in the world.

Disabled **[+300]-** You became disable so pick if you want to lose a limb or become blind or whatever disables that are able. {You can take it again Three times}

Out of control **[+400]-** The odds of Pandoras going berserk when they're using their abilities, and can affect you and your companions if they have those abilities.

Highly Dangerous **[+400]-** The Novas have gotten a Power boost now they're more resistant to the Freezing effect. Not completely immune, but enough that it requires either more Limiters or those with higher max output to achieve similar results compared to this not being in play.

Jumper Aoi **[+600 Restricted to Limiter]-** So you have taken the place of the Protagonist so be prepared for a lot of action because the Plot demands it and your location will be West genetics.

World Of The Novas **[+600]-** Okay now just Now it seems you're a crazy person so you chose to go to the Nova Dimension the place all Novas live, Okay good luck to you.

Locked **[+600]-** Jumper if you take this that means you cannot use all of your previous jump's abilities, only allow you to use abilities in this Jump.

Okay you Finish Ten years within this jump will you?

Return home: Choose this option to end your Jump and return home.

Remain Here : Choose this option and you will remain within the setting.

Move on to the next Jump: move on to the next Jump.
