Holosluts
Hololive NSFW version

V 1.0 By Apocbox

On the surface this world may seem like a somewhat generic ecchi anime world with some focus on streamers, but digging a bit deeper will reveal a far hornier underside. Most content creators around here engage in NSFW matters, be it having separate accounts on webcam sites where they masturbate while watching hentai or idols secretly going out and having fucking marathons with their fans. Above them all stands Hololive, a talent agency boasting roaster of extremely beautiful, talented, and "talented" girls, some of whom are experienced and some who will soon find out just how much they like the pleasures of flesh.

You can arrive in this world with the debut of any of the hololive gens.

Take this 1000 points to spend. You will stay here for 10 years.

General

Porn World Free

People around here and in future worlds you visit are quite beautiful, with the average being to be more of a 7/10 when compared to a mundane world. You are immune to STDs and have perfect control over your fertility with your partners believing you are using protection if you set it to zero. You smell very pleasant, unless you don't want to, and are always clean inside and out, with your partners being as well during sexual activities. You and other people are also somewhat stretchier than normal, being able to take in pleasurably and damage-free quite a bit more than is normal.

The Model Free

This world has a far broader definition of human. From elves and foxgirls to androids and humanoid dragons to demons and angels, the looks of people around here can be pretty diverse. But it's mostly the looks with only minor features related to sex having any advantages against regular humans, like robots' almost literal vacuum blowjobs or horse boys' equine cocks. Doesn't stop people from coming up with interesting lore about themselves, which usually includes some sexual stuff. And so you can freely choose your looks and whatever background lore you want. Can change your appearance at the start of each jump and have people not find it weird no matter how you look.

Great Rig Free

You are a very expressive and animated person, being able to easily show and convey your real emotions, with your moans and grunts of pleasure being extremely appealing to watch and listen to while also having some talent for lying and performing.

Oh, He's So Funny Free

You are actually quite funny, being able to easily and quickly crack appropriate jokes to almost any situation, with your humor being a great way to get in someone's pants.

Art Hoe Free/100

You have some moderate skill with drawing, specifically focusing on pornographic art, with people of whom you make said art being far more likely to stumble upon it. For an additional 100, you are actually quite an experienced artist and can easily make a good living by doing commissions online and receiving donations from fans.

Gaymers Rise Up Free/100

From Xbox to PlayStation to Switch and to, of course, PC, you have somewhat above-average skill in gaming on pretty much any platform

and in any genre. For 100, you have a competitive level of skill in a couple of games, which can roughly translate into a similar level in the games of the same genre.

Perfecto Idoru Free/100
You can sing, dance, and perform somewhat well, and having an interesting talent to show your lack of great skill in these fields in a funny and amusing way, like faking being out of breath and saying how you're definitely not old and just tired. For an additional 100, you're great in one of these skills and good in others, with becoming one of the top 10 idols in Japan not being outside the realm of possibility for you.

Fan
No, You Don't Get It 100
The intent and meaning behind your words and actions is far more apparent to outside observers if you want it to be, with it even working through different media like text messages or video recordings.

Eating Mike Tyson's Ass 100
Whenever you message someone, be it personally, leaving a comment under a post, or during a live chat, they are almost guaranteed to see it and far more likely to respond to you.

Generic Isekai Protagonist 200
Maybe it's your bland looks or lukewarm personality, the qualities you may or may not possess, but people not only do not see you befriending, dating, and fucking those they like or love as a negative but are actually sort of happy about it since they think they can live vicariously through you. You can fuck the most parasocial of girlfriend-experience streamers live on stream and have chat cheer you on.

Rock Hard 200
Not only are you rather muscular, both looking extremely pleasing and being able to lift and fuck an average person for hours on end, but you also possess a giant cock capable of bringing even the most frigid of bitches to Ahegao-faced orgasms and balls that can produce cum so fast and so much of it that it might as well be unending. Alternatively, you can be extremely feminine with the cock parts applied to your pussy, or give you one if you didn't have it before, and the balls part to your boobs, making you be able to produce breast milk.

Thank You For The Aka Supa! 400
Who said money can't buy love? You are capable of improving relationships with people by giving them money and presents, as if you were actually spending enjoyable quality time with them. This can be any kind of relationship, be it romantic, sexual, platonic, familial, or even some combination of them.

Chat, Is This True? 400
You are a bullshit artist of a cosmic scale, being able to tell tall tales and straight-up lies so convincing you may even make the people who have

firsthand knowledge of what you're lying about question the validity of their memory, let alone people who don't actually have that much knowledge on the subject.

Random Viewer 600
You have insane luck when it comes to sex and romance, being able to, for example, easily stumble upon new streamers who have great talent and sexual compatibility with you who'll be rather easy to groom or being a person picked from the crowd of thousands to receive some special treatment from your favorite idol.

Bratty Streamer Needs Correction 600
The bodies of other people are like an open book to you, allowing you to see their weak spots and keep them on the edge of orgasm for unlimited amounts of time or instead make them continuously cum, even if it should not be physically possible. No matter how skilled they are at sex or how naturally gifted, any attempt of theirs to block or ignore the pleasure you provide, like using anesthetics, trying to dissociate, or placing magic seals on themselves, will not work against you.

Streamer
Top Tier Design 100

Uuu I Miss Fauna! 200
Any fans you may have become quite a bit more loyal and even somewhat obsessed with you. But do not worry since you do have great control over them, so if they start to act in a way that you do not approve of, one stern talking-to will see them apologizing and changing their ways.

HAG SEX! HAG SEX! HAG SEX! 200
The age of 30 is in demand! IT IS, I SWEAR! You age like fine wine, becoming more appealing, beautiful, and sexy as you get older, with it being even more effective to people who are younger than you and/or find older people more attractive.

Power Scale My Ass 400
You have some sort of moderately powerful supernatural ability related to sex, like being able to summon tentacles you can control and feel through like they were a part of your body or the ability to freeze someone in time to fuck them with all the pleasure hitting them at once

when unfrozen. Can't really use it for combat, but more mundane uses like grabbing a remote with said tentacle are possible.

GET ME PREGNANT! GET ME PREGNANT! GET ME PREGNANT! 400
Not only can you exude a wild, sex-crazed aura at will that makes people rather scaroused, but you also have infinite stamina, being able to do several days long streaming and fucking marathons without even breaking a sweat. You also look very good with ruined makeup.

sex. NOW! 600
The feel of your body is sublime, like every part of it from your feet and thighs to your hands and armpits to your mouth, pussy, and ass was made purely for sex with you being able to derive pleasure from all of it as if you were one giant fuckhole. The pleasure you bring to others is also greatly improved, with many seeing sex with you as the best experience of their lives.

God Gamer 600
Maybe they can smash your pussy and make you cum your brains out, but can they 32-v-1 you in Battlefield 3? Nope, they cannot! You are most likely the most skilled video game player to ever exist, with your talent applying universally to all genres and types. Just be sure to keep your mouth shut and don't brag, or they'll probably try to shut it with their cocks. Or maybe that's what you want?
