The Bordello

V 1.2 By Apocbox

Rose's Petals is one of the best brothels of the Sword Coast, located in the city of Baldur's Gate. With a variety of skilled girls of different races, body types, and… equipment loadouts, it is one of the best places for the weary and the horny to relax and unwind, to fuck and be fucked, be they a regular citizen or a seasoned adventurer. Oh and there's also that rat nest it's owner calls a Bordello.

Take this 1000 points to spend here.

ORIGINS

Choose your age and sex for free

Drop In

You appear out of thin air with no history in this world near one of the entrances to the Baldur's Gate.

Customer

You are one of the many citizens of the city, a commoner living a simple life. You wake up in your home ready for a new day.

Worker

You're a whore working in one of the many brothels of this city. You wake up in your work room with a customer from the previous night lying in bed with you.

Mistress

A madam, if you would. You're the owner of your very own brothel. Unless you buy a capstone item of this origin, it's quite a ratty place. You wake up in your room, which is probably the only one that doesn't leak in this place.

Perks

Perks are Discounted to their respective origins, perks worth 100 are free and the rest is 50% off. Free Perks are optional.

General

Rule 34 Free

You're always clean and smell very nicely and are quite skilled In the bedroom. With immunity to STDs, all your holes and the ones of your partner always being clean and ready for sex, the ability to control your own fertility, your looks being at least a 7/10, and a 10/10 ass, you are almost guaranteed to have an enjoyable sex life here and in the future worlds.

Cocka Free

You have a nice veiny cock long enough for Subway to legally classify it as a footlong, with it being as thick as a can of soda. You also have large orange-sized low-hanging balls perfect for slapping the ass of those you fuck, storing and producing large amounts of tasty jizz, with each of your loads being big enough to cover someone's face completely. This cock can stretch others far beyond what they are normally capable of and turn any pain and/or damage this would have normally caused into pleasure. Surprisingly, this beast does not interfere in your daily life or combat in a negative way. If you are female, this replaces your pussy, but you have the ability to switch this perk on and off.

Whoring License Free/100

You have a legal right to work as a prostitute anywhere, both in this world and in future ones, as well as temporarily providing this perk to people who work with or under you for the duration of your cooperation. For 100 at the start of any jump, you can make it so that sex work is legal there, as well as being able to specify what kind and where.

Race Free

You can freely choose one of the playable races and a subrace from Baldur's Gate 3 to enter this jump as. You gain its racial bonuses, and after the jump it becomes an altform.

Where’s My Man At? Free

The focus of Nyl's works is women and futas, with men being practically nonexistent. You can take it to the extreme and make it so men do not exist at all, with all the canon and background characters becoming local variants of futas instead. You can choose if men exist, if they are replaced by futas, or if both are a thing, or remove women entirely, leaving only men and futas as well as who is who at the start of each jump.

Drop In

Classical Class 100

You can choose a single playable class from Baldur's Gate 3 and are now a level 1 in it, with the potential to reach level 12 through hard-won battles and constant adventures in 10 years. You don't have much experience with your skills and abilities, though, so be careful.

Been There Done That 200

You may not be stronger than you were before, but you are far more experienced. You have about a few years of experience worth of skill with all of your abilities, perks, powers, and so on, whether you got them in some previous jump or this one, as well as gaining it whenever you go visit the next jump for the things you get there.

Harem Protagonist 400

Are you by any chance a bard? No? How strange. Your charisma gets a nice boost, especially when it comes to romance and seduction. Any person with whom you enter a romantic and/or sexual relationship doesn't mind you having other partners with them, either ignoring each other or actually ending up as friends and/or lovers.

Natural 20 600

Your metaphorical dice seem to be a loaded one, and you're quite a bit luckier as a result. What's more important is that every so often you would have a surge of incredible energy that would boost whatever action you were doing at the moment into the stratosphere. Punch a guy in the face with intent to kill as an average human? His head explodes like an overripe fruit. Forge a blade as a beginner blacksmith for a competiotion? It's a work of art that any master would've been proud to make.

Customer

Customer Is King 100

You're treated quite a bit better in all sorts of establishments where you pay for services, and the more you pay, both in terms of actually buying things and giving tips, the better you're treated.

Love Through Sex 200

Falling in love with a whore is a thing that happens every so often, but most of the time the prostitutes do not really return the feeling. Well, not anymore, as the more pleasure you bring someone, both sexual and any other kind, the more they fall in love with you.

Impress The Whore 400
It can be quite a challenge to make an experienced prostitute cum, and it might hurt your pride if you do not succeed. That never happens to you, as at a moment's notice you can create a connection between you and a single other target, which shares the feeling of pleasure between you, making it so if one is enjoying themself and cums, the other will as well.

Sound of Coins 600
Did you ever want to enjoy somebody, but they were not for sale? That's never the case for you, as you can buy sex from anybody. They will give a fair price for their political and socio-economic status as well as their personal power, but if you can afford it, you can fuck anybody.

Worker
Foreplay Technique 100
Your hands and feet are smooth, strong, and yet very dexterous and nice to the touch, with you possessing great skill at using them to bring pleasure. Your mouth, lips, tongue, and throat are all similarly pleasurable with you not having a gag reflex and possessing quite a skill at giving head.

Perfect Fit 200
All of your holes are capable of stretching far beyond what should be possible, with even a halfling being able to take a giant's cock without trouble. All the pain and damage such an insertion should have caused is instead transformed into pleasure.

Maybe I'm Blessed 400
You look gorgeous, as if all the gods and goddesses of beauty have collaborated to make your body as good-looking and pleasurable as possible. From your figure to your voice to the feel of your skin and insides, you're truly sublime.

Form over Figure 600
While the looks may catch people's eyes, the skill in bed is what makes them return again and again. You're perhaps the most skilled prostitute there is, with even the succubus's and goddesses of love and passion failing in comparison to you when it comes to carnal arts. There isn't anyone you couldn't satisfy in bed.

Mistress
Active Perception Check 100
You have both a vision capable of looking through clothes and a sense for what sort of carnal skills and talents someone may have.

Persuasion Check 200

You're quite a speaker and charmer, knowing exactly what to say and do to get on someone's good side. You're also really convincing; finding and talking to girls to join your establishment won't be a problem.

Protected Establishment 400
All businesses you own are under a sort of protection, making violence inside impossible and greatly increasing the chances of any would-be criminal receiving comeuppance for their attempted crimes.

Lady of the House 600
It's like you've been both blessed by the goddess Waukeen and personally taught by her everything there is to know about trade, as not only are you incredibly skilled in it, but also you have far greater luck in running any sort of establishment or trade.

Items

Items are Discounted to their respective origins, items worth 100 are free and the rest is 50% off. Anything can be imported in to a fitting item (Weapon into a weapon, tool into a tool etc.). If lost or stolen you get them back in an hour. All items can be brought multiple times, with free items costing 50 after first purchase. You can combine compatible items like Travelers Tent and Rotting Shack.

Drop In

Adventuring Gear 100
A good quality set of armor, clothes, tools, trinkets and weapons is more befitting a seasoned adventurer than someone who is just starting out.

Travelers Tent 200
A small tent that has an SEP field to it that makes it so animals and some of the weaker monsters ignore it. It is bigger on the inside, being about the size of a townhouse with a functioning toilet, bath, and shower as well as four bedrooms and a restocking supply of food and drinks.

Flying Mount 400
A tamed griffon or perhaps a wyvern or some other flying creature. It is loyal to you and likes you a lot. It's always comfortable to ride and can seat at atleast two people while also being quite the fearless combatant.

Golden Dice 600
This is a golden d20 die that will turn to dust when used and only reappear after ten years or at the start of the next jump, whichever is sooner. It allows you to do anything nigh improbable or impossible with great ease. While it's in your possession, it also

passively protects you from fate and destiny as well as the gaze of gods and cosmic entities.

Customer

Bag Of Gold 100
A replenishing bag of coins enough for a month of comfortable middle-class living. It refills each month.

Love Your Piercings 200
A set of magical clip-on nipple and cock piercings that act as regular ones when they're put on but can be easily taken off. They increase the pleasure to the wearer and their partner by about 50%.

Permanent Reservation 400
You can reserve any single whore for your personal use. They would still get paid as if they were working like they used to but will be always available to you and take no other customers.

Jumper Trading Company 600
You own a successful trading fleet of ships and warehouses that store the goods in perfect condition. This makes you one of the richest people in the city, if not on the entire Sword Coast.

Worker

Whores Wardrobe100
A collection of beautiful and sexy outfits of the greatest quality and make. Has a grand variety of styles and materials guaranteed to have something that would satisfy any customer.

A potion that is capable of giving the drinker the Cocka perk for a couple of hours. You have an infinite supply of it.

Protective Seal 400
A magical seal on your lower abdomen that protects you from unwanted sexual intrusion into the holes of your body. Even the strongest of beings will be unable to bypass or break it and penetrate you without your consent.

Favorable Contract 600
This is a magically enforced contract that makes it so both parties who sign it have to follow it. Well, that's what the other party thinks. While they are actually bound, you are, in fact, not and can break it all you want. You get a new one a year after you used this one.

Mistress

Rotting Shack 100
A somewhat low-quality whorehouse with a couple of girls working here. It leaks and isn't exactly that popular but still provides enough money for you to not go hungry.

Collection of Potions 200
A large box full of a variety of potions, tonics, and elixirs. From stamina-replenishing ones to healing, from contraceptives to beauty enhancers, and so on. They're mostly suited for sex work, but you'll get something more combat-oriented ones in a while as the box restocks once a month.

Legal Work 400
This is a legal permit that allows you to operate a single business no matter what the local laws might say. You could run a brothel in the most puritanical of countries without a problem. You can only have one business under its protection but can choose which one it is at a moment's notice.

Bordello 600
A truly fine establishment. This is a large mansion with a beautiful flower garden and a large variety of girls working here.
