yuo can have as many draebacks as you want

Typos (+100 MLGP): Your spelling and grammar are really messed up. People will constantly point out how bad your spelling and grammar is. It's really embarassing.

12 years old (+100 MLGP) you are stuck at 12 years old and will never be

older

The Almighty Loaf (+200 MLGP) Even now, the evil seed of what you've done GERMINATES within you.

#shrekt (+257 MLGP): shrek wants to rek u for goin in his swamp, he is swole as fuck and super MLG, he will shrek u if u arent careful, shrek is love shrek is life

#2spooky4me (+200 MLGP): you are haunted by spooky scary skeletons, they will spoop you right out of your skin

git gud, scrub (+300 MLGP) your a scrub who has no swag or mlg skills. you are a disgrace to soceity, but if you survive 10 years withough killing yourself in shame you will get all your mlg skills

YOU ARE PHONE (=300 MLGP): you are a secert agent of iluminati sent to infiltate MLG and pring them down but you cant get caught or the iluminati will kill you with a bomb in ur skull

Completely Normal (+600 MLGP): You're completely normal, and that's not a good thing. You've been unaffected by this world's filter, so to say, and thus you see everything for the absurdity it is. There is no escape, for even your companions have been infected. Beware, for you will spend 10 years staring into the abyss of true madness- and it will undoubtedly stare back.
