Emperor’s Children Gauntlet

By U/PriorPossible834

Welcome my aspiring brother, have you come to taste absolute perfection? The Dark Prince has deigned to allow you to join our legion, but we will not grant our boons for free, this will not be a Jump but a gauntlet, only the deserving will receive the gifts of Slaanesh.

[+0 CP]

~Time~

You may appear in any time or place where the Emperor’s Children have existed.

~Origin~

Emperor’s Child

You are a member of the Emperor’s Children legion or more likely one of the numerous warbands it dissolved into after the scouring, you have all the powers of a Space Marine and a connection to Slaanesh.

~Drawbacks~

~100~

Pursuit Of Sensation

Nothing remains pleasurable for long, the more you indulge a vice the less effective it will become for you, the only way you can maintain the lifestyle the Dark Prince demands is by constant and escalating depravity.

Vanity
Is it a crime to value your appearance? Clearly, you don't think so as you look and act every bit the preening peacock your legion is portrayed as.

~200~

Obsession
Choose a skill or craft you become obsessed with to such a degree that it pleases Slaanesh, your obsession will become the center of your life.

Addicted
Choose something contemporary society would consider a vice, you will gain an addiction to it on the level of the most degenerate Slaaneshi Cults.

~400~

No Morals
Simple drawback really, you have absolutely no morals, nothing is too depraved for you.

Enemy Of The Imperium
The Inquisition has marked you as a Chaos Champion and has made you a priority target for all Imperial Forces.

~600~

Displeasure Of Slaanesh
Slaanesh finds you boring, expect to be put in terrifying situations regularly as the Youngest God tries to liven up your journey.

Wrath Of Fulgrim
The great Daemon Primarch of the Emperor's Children has left his Daemon World for the first time in centuries and he craves your soul more than any other...

~Perks~

~100~

Artistic Frame
You are simply beautiful... if you were alive during the Great Crusade you would have certainly been a favorite of the Remembrancer Order

The First Blessing Of Slaanesh
There... isn't an easy way to say this honestly Space Marines have no sexual desire and are incapable of such acts in the first place, this denial of a form of sensation is displeasing to Slaanesh and those who pledge to it will regain that loss of ability and desire.

Dedication
Being a follower of Slaanesh requires a single-minded devotion to the things that you find enjoyable; this is the dedication you have. You are capable of focusing all of your faculties and resources on one goal for an extended period of time.

A Craft Of Your Own
All of the Emperor's Children have a particular path to perfection they pursue, a skill that is the focus of their semi-eternal life. You may now select any skill from swordsmanship to painting, you will gain a prodigious talent in that skill.

~200~

Speed Of The Dark Prince
You have received a gift of Slaanesh, your speed and reflexes have been enhanced to the same degree as one of the Dark Prince's Daemonettes.

Higher Man
The unrestrained nature of your soul draws the peons of the world to your banner, the greater the depths of your depravity the more appealing you become to potential allies and minions.

Haunting Beauty
Your body has been reshaped by the Prince of Pleasure into a beauty that is almost indescribable, all but the ones with a genuine reason to hate you will be enthralled.

The Quiet Offends Slaanesh
You have all the abilities of one the Noise Marines, keep things loud child of Chaos.

~400~

Jumper The Eternal
You have been granted one of the greatest gifts ever given to a chaos champion: the power to never die, if someone kills you you will be able to possess them provided they take even the slightest pride in the action.

Absolutely Fabius
You have all the skills of the Primogenitor Fabius Bile himself, you are a skilled apothecary certainly but your true specialty is cloning, you are one of the greatest masters of the Genetic Sciences since the Emperor himself.

Fill Your Cup
You are familiar with the technique the Dark Eldar use to prolong their lives, you can extract energy from the suffering of others to extend your life and enhance your body temporarily.

Sublime Swordsman
You are now a swordsman on par with the greatest duelist in the galaxy Lucious the Eternal himself, if Sigismund was still alive you could have dueled him to a standstill.

~600~

Jumper Who Thirsts

You have been granted a completely unprecedented ability, you are capable of striking a deal with others for their souls. In exchange for granting them prodigious talent at a skill of their choice you may slowly sup on their soul healing your own and enhancing any mystical powers you may possess.

As you gorge yourself on souls you will begin to evolve first becoming a Daemon Prince and then eventually a burgeoning chaos god in your own right.

Items

~100~

Astartes Loadout

A copy of the standard wargear of a Space Marine, yours has the chaotic iconography of Slaanesh drawn on it.

Fulgrim's Special Sauce

Drugs. Lots and lots of Drugs tailored to Astartes physiology.

~200~

The Book Of Excess
A book of rituals designed to allow a chaos sorcerer to channel the power of Slaanesh, this allows you to summon and bind Daemons tied to the Prince of Pleasure as well as create other thematic effects.

Be warned however that these rituals will require sacrifice...

Banner Of The Prince
A standard emblazoned with Slaaneshi iconography it invokes feelings of lust and obsession in any who gaze upon it.

~400~

Dreadnought
You have access to a Dreadnought, once per jump upon your untimely demise you will be saved against all odds and interred within the Dreadnought in addition to being a potent life support system it's also essentially a mobile weapons platform.

Daemon Weapon
A melee weapon crafted using a Greater Daemon of Slaanesh, in addition to being far superior to a normal weapon it will corrupt anyone around you eventually converting them into your faithful servants.

this is guaranteed NOT to corrupt you any corruption you incur in this world will be your own doing.

~600~

Daemon World
A world imbued with the energy of the Warp and given over to your control, you can reshape the environment freely and your powers are far greater while you dwell there.

Warband
While the traitor legions lack the chapter system introduced by the Primarch Guilliman they have been divided into smaller groups by the cruelties of time.

You are in command of 1000 traitor Space Marines as well as the cobbled together infrastructure that could be recovered from the Great Crusade.
