

ルパン三世

LUPIN THE THIRD

by Faucheusestar

Lupin III, the grandson of Arsène Lupin, is considered the world's greatest thief, known for announcing his intentions to steal valuable objects by sending a calling card to their owners. His right-hand man and best friend is Daisuke Jigen, an expert marksman, Fujiko Mine, a femme fatale and Lupin's love interest, and Goemon Ishikawa XIII, a master swordsman whose sword can cut anything.. Lupin and his gang are constantly chased by Interpol Inspector Zenigata, who has made it his life's work to arrest the group, pursuing Lupin across the globe.

Take **1000 Choice Points** to fund your adventures.

Starting Location

You can choose any country you like, as in the recent Lupin series, the action will take place there more often.

Age and Gender

Freely choose your own age or gender.

Origins

Drop-In [Free]

You are dropped in this new universe with no background, memories, or documentation.

Partner [Free]

You are the right-hand man or woman of perhaps someone like Lupin or a mafia boss. There are no more henchmen like you!

Inspector [Free]

Where there are criminals, there are people like you to capture them. You may not have caught a target like Lupin yet, but who knows, you might do it within the decade.

PERKS

The perks corresponding to your Origin have a 50% Reduction and those with 100 CP will be offered to you.

Master Thief

Just like Lupin, you are incredibly skilled at pickpocketing, able to steal bullets from someone's magazine without them even noticing, for example.

100 CP Free Drop in

Team Leader

You are strangely skilled at teamwork, even with your enemies and lifelong rivals. You can easily put your quarrels aside to work together. Strangely, your enemies will always end up becoming, at worst, somewhat friendly rivals, and at best, friends.

200 CP Discounted Drop in

Lupin through the Ages

The stories of Lupin take place in many different eras, yet our heroes never seem to change! With this, you can always choose which era you appear in when you jump. Certain characters may or may not take the place of their ancestors, if you wish.

200 CP Discounted Drop in

Mastermind

What made Lupin the world's greatest thief was not only his ability to steal objects, but also his plans. And you have the same planning skills as Lupin III, capable of creating incredibly ingenious plans to pull off impressive heists or escapes.

400 CP Discounted Drop in

Gadget tinker

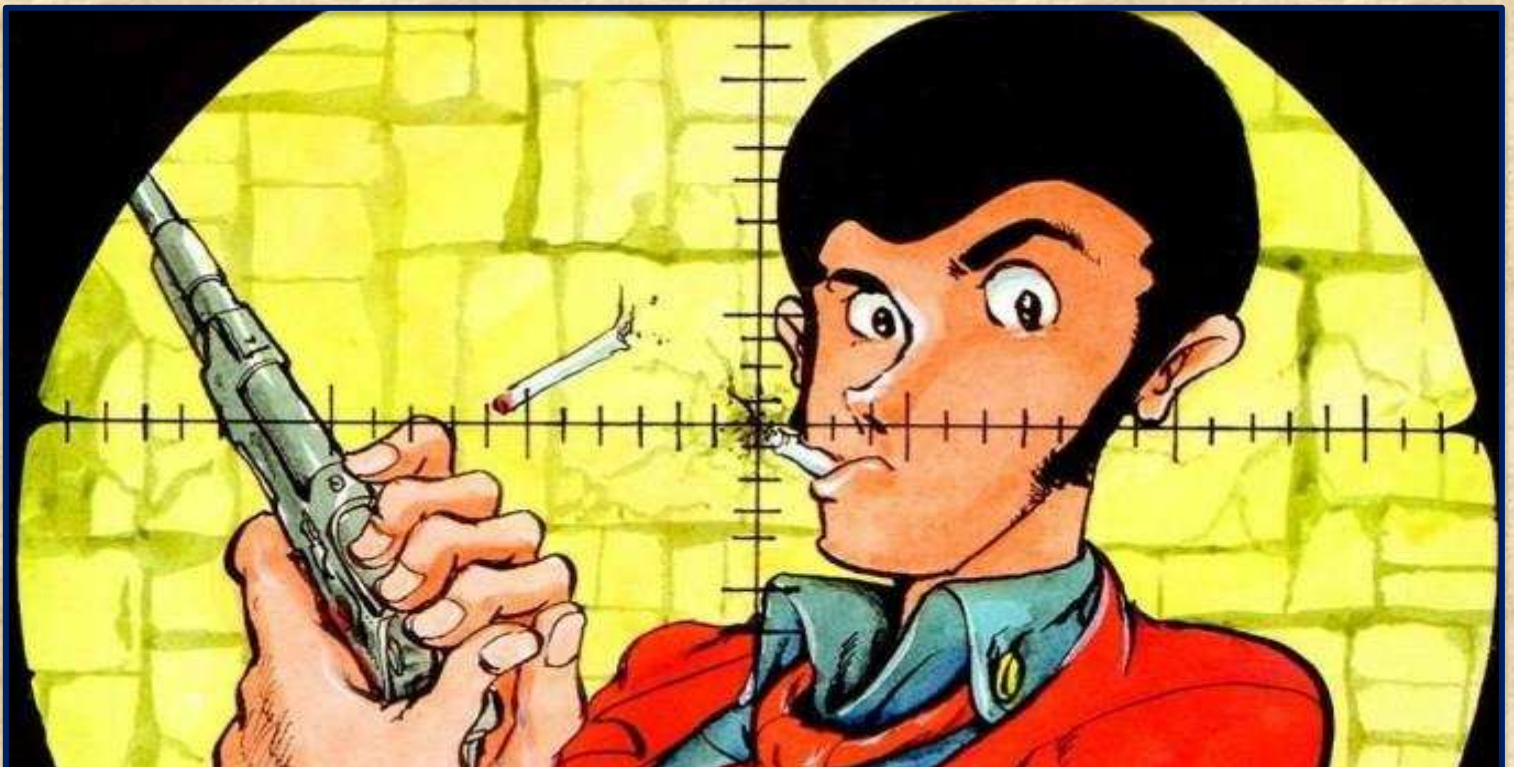

Being a thief, however talented you may be, is not always enough. Fortunately for you, you excel at building all kinds of gadgets and machines to get you out of trouble.

400 CP Discounted Drop in

Lupin the III

Are you the heir to Lupin's title? Your exploits will bring you closer and closer to a supernatural version of your eponymous character. What's more, your reputation is preserved between each jump.

600 CP Discounted Drop in

Best Partner

Not being the main character isn't such a bad thing, after all, you're the perfect teammate. When you team up with your partner, whether directly or indirectly, you see all your abilities improve a little.

100 CP Free Partner

Marksman

You are an exceptional marksman like Jigen and can wield any type of firearm at a supernatural level and perform a 0.3-second quick-draw.

200 CP Discounted Partner

Jumper is going to fool us again!

Maybe you're too cute or just good at manipulating those around you like Fujiko. In any case, people forgive you more easily when you double-cross them!

200 CP Discounted Partner

Samurai

You have the same sword skills as Goemon. This allows you to perform incredible feats such as slicing through steel like butter and cutting only the things you want to cut. If you prefer, you can have equivalent abilities with other things instead.

400 CP Discounted Partner

Hello Underworld

You are a genius hacker and programmer like Ami Enan, which allows you not only to hack any level of security, but also to create video games and other applications.

400 CP Discounted Partner

The way of the sword is endless

This applies to anything! As long as you decide to follow a path, whether it be the sword like Goemon or other thing, you will have no limits and will continue to progress. In addition, anything you do seriously that is different will be excellent training.

600 CP Discounted Partner

INTERPOL Agent

You have all the skills expected of an Interpol agent and have the necessary contacts to be able to arrest people with evidence or, if your superiors are reluctant to do so, diffuse the evidence throughout the country without any consequences for you!

100 CP Free Inspector

CQC and Handcuffs

You excel at close quarters combat, knocking out several hitmen is a piece of cake for you. What's more, you can use handcuffs, especially when tied to ropes, as a strangely effective weapon.

200 CP Discounted Inspector

Best boss

You are a particularly appreciated and competent leader. Your people remain loyal to you and will help you even if you fall from grace or lose your job.

200 CP Discounted Inspector

Holmes

You are a detective worthy of the name, capable of easily solving crimes by making hypotheses like the eponymous detective in order to track down even the most elusive thieves.

400 CP Discounted Inspector

Lupin!!!

Is it luck or talent? Is the world so small? In any case, when you're looking for someone, they'll often be strangely near you. It may not allow you to capture them, but at least you can try again!

400 CP Discounted Inspector

Zenigata, Gentleman Thief?

Zenigata didn't actually manage to capture Lupin, but that doesn't mean that this game of cat and mouse didn't teach him anything. It's the same for you: the more you chase someone, the closer you get to their skills, and you can anticipate and imitate them.

Companions

Companions can purchase more companions.

Jumper gang [50-200 CP]

Do you want to bring your friends to this adventure? Or can create new friends, this is for you

50 CP/companion, 200 CP/8 companions, each gets 600 CP.

Canon Companion [Free]

You want one of the canon characters as a companion then this option and for you if you manage to convince the latter he will be able to follow you on your adventures and obtain 300 CP as a gift

Rival [+100 CP]

Your own Rival could be your personal Zenigata or your Lupin. It's up to you, but they will have all the perks of their category. You can decide whether they continue to follow you for the rest of your chain or not.

Drawbacks

Self-Insert [+0]

So you want to be one of the Named characters huh, well if you take the appropriate background, race and skills as closely as possible then you are free to go in as any character you would like.

Supplement [+0 CP]

You can use this Jumpdoc as a supplement

Extended Stay [+100 CP]

For each purchase of this your time here is extended 10 years

walking anachronism [+200 CP]

Just like a certain samurai, you are out of your time. You could still operate older revolvers and pistols or old technology, but anything sufficiently advanced, such as a smartphone, is too incomprehensible for you.

Womanizer [+200 CP]

Everyone has their weaknesses, and you, like many people here, including our eponymous thief, are weak when it comes to women. You would be much more susceptible to their manipulation and other charms, in addition to being a pervert!

Jumper the game [+300 CP]

It seems you've angered the wrong drug traffickers, and not only is there a bounty on your head in a grim game of betting on your death, but you're also being pursued by a host of colorful hitmen with unlikely equipment. All under the eyes of the whole world.

Supernatural [+400 CP]

The world in which Lupin III takes place already contains supernatural elements, whether ghosts, angels, or other strange creatures. With this, it will no longer be confined to very rare episodes, but frightening and mysterious entities will be much more common, and many more objects and treasures will be linked to magic powers.

Partial Lockdown [+400 CP]

You have no warehouse and the only items you own are the ones you're carrying. What's more, your powers are adapted to the level of power in this world

Lockdown [+600]

You have no **Out Of Context** items, powers, or warehouse.
