

Keeping Up with the Kardashians Jumpchain

Compiled by /user/randalReps

Welcome to the world of Keeping Up with the Kardashians, a reality TV show that follows the lives of the Kardashian-Jenner family, a famous and wealthy blended family in the US. You are about to enter a world of drama, scandals, and controversies, where every move you make is watched by millions of fans and haters. Whether you are a family member, a neighbor, or domestic staff, you will have to deal with the cringe, the chaos, and the antics of the Kardashian clan. Can you survive the madness and keep your sanity? Or will you succumb to the pressure and join the circus? The choice is yours but remember: you can't escape the cameras.

You can choose any one of the following origins: Family Member, Neighbor, or Domestic Staff

Origins

Family Member

You are one of the Kardashian-Jenner siblings, or a close relative. You have grown up in the spotlight, and you are used to the attention and the drama. You have a close bond with your family, but you also have your own ambitions and interests. You start with **600 CP** and the perk **Family Ties** for free.

Family Ties: You are part of the Kardashian-Jenner family, and you have a strong bond with your siblings and relatives. You can always count on them for support, advice, and drama. You also have access to their resources, contacts, and fame, which can open many doors for you. However, being a Kardashian-Jenner also comes with a price. You must deal with the constant media attention, the public scrutiny, and the family feuds. You also must keep up with the high standards, the lavish lifestyle, and the changing trends of the Kardashian clan. Are you ready for the challenge?

Neighbor

You live next door to the Kardashian-Jenner mansion, or in the same neighborhood. You have a normal life, but you are constantly exposed to the noise, the traffic, and the paparazzi that follow the Kardashians. You have a friendly or a hostile relationship with them, depending on your personality and preferences. You may be a fan, a friend, a rival, a stalker, or a hater. You also start with **800 CP** and the perk **Privacy** for free.

Privacy: You value your privacy and your peace of mind, and you don't want to be involved in the Kardashian-Jenner drama. You have a way of avoiding the cameras, the reporters, and the fans that swarm around your neighborhood. You also have a knack for ignoring the noise, the traffic, and the gossip that come with living next to the Kardashians. You can live your life as you please, without worrying about what the Kardashians are doing or saying. However, being a neighbor also means that you must deal with the occasional intrusion, the unwanted invitation, and the unexpected encounter with the Kardashians. How will you handle them?

Domestic Staff

You work for the Kardashian-Jenner family, as a maid, a butler, a chef, a driver, a nanny, a personal assistant, a gardener, or a security guard. You have a steady income, but you also must deal with the demands, the tantrums, and the secrets of the Kardashians. You start with **1000 CP** and the perk **Loyalty** for free.

Loyalty: You work for the Kardashian-Jenner family, and you are loyal to them. You do your job well, and you don't complain, gossip, or leak any information. You also have a good relationship with the Kardashians, and they trust you, respect you, and reward you. However, being a domestic staff also means that you must deal with the stress, the mess, and the secrets of the Kardashians. You also must follow their orders, their schedules, and their whims. How far will you go for them?

Perks

Perks are discounted 50% for respective origins while generic perks are not discounted. Pls take note of any applicable conditions in [blue](#).

Drama King/Queen (100 CP – Family Member):

You are a master of drama, and you love to stir up the Kardashian-Jenner family. You have a way of creating, escalating, or resolving conflicts, scandals, or controversies, without getting hurt, hated, or disowned. You can also benefit, entertain, or influence the Kardashian-Jenner family, without getting overshadowed, exploited, or betrayed.

You may even become the star, the leader, or the peacemaker of the Kardashian-Jenner family. However, being a drama king/queen also means that you must deal with the stress, the backlash, and the consequences of Kardashian-Jenner drama.

Plastic Fantastic (300 CP – Family Member)

You have access to the best cosmetic surgery and beauty treatments in the world. You can alter, enhance, or modify any aspect of your appearance, from your face to your body. You have a way of finding, affording, and recovering from the best surgeons, spas, and salons, without getting botched, broke, or addicted.

You can also impress, attract, or inspire the Kardashian-Jenner family, without getting jealous, insecure, or competitive. You may even become the most beautiful, desirable, or influential of the Kardashian-Jenner family. However,

being plastic fantastic also means that you must deal with the pain, the risk, and the criticism pertaining to cosmetic surgery and beauty treatments.

Famous by Association (500 CP – Family Member)

You are a member of the Kardashian-Jenner family, and you love being famous because of it. You have a way of getting attention, publicity, and endorsement deals, without doing much work, having any talent, or originality.

You can also enjoy, flaunt, or exploit your fame, without caring much about ethics, morals, or consequences. You may even become the most notorious, controversial, or influential member of the Kardashian-Jenner family. However, being famous by association also means that you must deal with the haters, the critics, and the lawsuits of the Kardashian-Jenner family. You may get mocked, exposed, or sued by the public or your enemies.

Nosy Neighbor (100 CP - Neighbor)

You are a curious person, and you love to spy on the Kardashian-Jenner family. You have a way of peeking into their windows, listening to their conversations, or hacking into their phones, without getting caught, exposed, or sued. You can also learn, share, or blackmail the Kardashian-Jenner secrets, without getting caught, exposed, or sued.

You may even get involved, invited, or hired by the Kardashians themselves. However, being a nosy neighbor also means that you must deal with the danger, the drama, and the karma of the Kardashian-Jenner secrets

Borrowed Luxury (300 CP - Neighbor)

You are a frugal person, and you love to borrow the Kardashian-Jenner luxury items. You have a way of sneaking into their mansion, taking their clothes, jewelry, cars, or gadgets, and returning them before they notice. You can also enjoy, sell, or trade the Kardashian-Jenner luxury items, without getting caught, exposed, or sued.

You may even get complimented, gifted, or sponsored by the Kardashians themselves. However, being a borrower also means that you must deal with the temptation, the guilt, and the paranoia of the Kardashian-Jenner luxury items. You may get addicted, exposed, or blackmailed by the Kardashians or their enemies.

Party Crasher (500 CP - Neighbor)

You have the ability to sneak into, blend in, or crash any party, event, or function that the Kardashians are hosting. You have a way of sneaking in, blending in, and having fun, without getting caught, kicked out, or sued. You can also mingle, flirt, and network with the celebrities, influencers, and VIPs that attend the Kardashian-Jenner parties.

You may even get invited, befriended, or romanced by the Kardashians themselves. However, being a party crasher also means that you must deal with the risks, the drama, and the consequences of the Kardashian-Jenner parties. You may get into trouble, scandals, or cake fights with the Kardashians or their guests.

Under the Radar (100 CP - Domestic Staff)

You are a stealthy person, and you excel at being unnoticed and unobtrusive in the Kardashian-Jenner household. You have a way of moving, hiding, or blending in, without attracting attention, suspicion, or interference. You can also do your job, pursue your interests, or escape your duties, without being noticed, questioned, or punished.

You may even become the observer, the spy, or the ghost of the Kardashians themselves. However, being under the radar also means that you must deal with the boredom, the loneliness, and the invisibility of being unnoticed and unobtrusive.

Domestic Skills (300 CP - Domestic Staff)

You are an extremely competent household manager, and you are more than qualified to run the Kardashian-Jenner household. You have a way of cleaning, cooking, driving, babysitting, or organizing, without making mistakes, wasting time, or losing patience. You can also impress, satisfy, or educate the Kardashian-Jenner family, without being condescending, intrusive, or boring.

You may even become the favorite, the mentor, or the hero of the Kardashians themselves. However, being a domestic skills master also means that you must deal with the workload, the expectations, and the “gratitude” of the Kardashian-Jenner household.

Professionalism while under Fire (500 CP - Domestic Staff)

You are a professional, and you can handle any situation that the Kardashians throw at you. You can keep your cool, your composure, and your dignity, even when things get crazy, chaotic, or cringey. You can also adapt, improvise, and overcome any challenge, problem, or crisis that the Kardashians face or cause.

You are not easily fazed, intimidated, or embarrassed by the Kardashians, and you can deal with them with tact, skill, and humor. You are a valuable asset to the Kardashian-Jenner household, and you can earn their respect, admiration, and gratitude.

Insider Knowledge (100 CP)

You know everything that goes on in the Kardashian-Jenner household, and you love to use it to your advantage. You have a way of finding, accessing, or stealing Kardashian-Jenner information, without getting caught, exposed, or fired. You can also use, sell, or leak the Kardashian-Jenner information, without getting caught, exposed, or sued.

You may even become the source, the ally, or the enemy of the Kardashians themselves. However, being an insider also means that you must deal with the danger, the drama, and the karma of the Kardashian-Jenner information. You may get threatened, blackmailed, or attacked by the Kardashians or their enemies.

Kim-Possible (500 CP)

You have the ability to emulate the most famous Kardashian of all, Kim. You can copy her looks, her style, her voice, and her personality. You also gain an alt-form that looks very close to Kim Kardashian, except for some minor differences that only you can notice. You can also access her wealth, her fame, her connections, and her skills.

You can use this perk to get anything you want, from a reality show to a presidential pardon. You'll have to deal with the haters, the drama, and the divorces. On the bright side, you'll always have something to break the internet with.

Items

Items are discounted 50% for respective origins while generic items are not discounted. Pls take note of any applicable conditions in **blue**. All passive skills and boons continue post-jump.

The Selfie Stick (100 CP – Family Member)

You have The Selfie Stick, and you love to use it to take selfies with the Kardashians. Holding The Selfie Stick gives you passive skills of capturing, editing, and posting the best selfies, without getting photobombed, blurred, or cropped. Pictures taken by The Selfie Stick can also impress, attract, or annoy the Kardashians, without getting snubbed, blocked, or unfollowed.

Pictures taken with the Selfie Stick will also make you become the most photogenic, viral, and influential of all selfie takers. However, having The Selfie Stick also means that you must deal with the vanity, the addiction, and the ridicule of taking duck face selfies.

Kim's Closet (200 CP – Family Member)

You have access to Kim Kardashian's closet, which contains every outfit, accessory, and piece of jewelry she has ever worn or owned. You can wear, mix, and match any of them, and they will always fit you perfectly. While inside the closet you have a way of finding, wearing, and returning the most fashionable, glamorous, and daring outfits, without getting caught, stained, or ripped.

You can also impress, copy, or compete with the Kardashians with ~~Kim's~~ your outfits, without getting outshined, copied, or sabotaged. You may even become the most trendy, sexy, or influential of the Kim's closet users. Post-jump the closet will be attached to your Jumpchain warehouse.

Kardashian Credit Card (300 CP – Family Member)

You have a prepaid debit card that is loaded with unlimited money which you can use to shop like a Kardashian. Holding this card will give you passive skills related to buying, wearing, and returning the most expensive, trendy, and exclusive items, without paying any interest, fees, or taxes. The card also allows you to impress, borrow, or lend the Kardashians with your purchases, without getting scammed, robbed, or sued.

Post-jump the Kardashian Credit Card can only be used to purchase clothes, shoes, fashion accessories, jewelry, perfume, cosmetics, beauty products, spa treatments and Venti Iced Coffee.

Super Binoculars (100 CP – Neighbor)

You have a pair of high-quality super binoculars that allow you to zoom in and see what the Kardashians are doing in their house or yard. These Super Binoculars can also record, snap, or livestream what you see to any device or platform. Using the Super Binoculars grants you passive skills related to zooming, focusing, and recording the most interesting, shocking, and juicy

scenes, without getting spotted, blinded, or bored. However, having binoculars also means that you must deal with the obsession, the addiction, and the creepiness of spying on the Kardashians.

Gift Basket (200 CP – Neighbor)

You have a basket full of assorted goodies that you can give to the Kardashians as a gesture of friendship, gratitude, or apology. The basket contains things like wine, cheese, chocolates, flowers, candles, and cards. You can also customize the contents to suit the occasion or the recipient.

You can use the gift basket to placate any Kardashian, no matter what you did or say to them. They will forgive and forget any offence you have caused, no matter how grave. Post-jump you can use the gift basket to placate anyone you offend up to 10 times per jump and will replenish itself in your warehouse.

Golden Ticket (300 CP – Neighbor)

You have a golden ticket that grants you access to any party, event, or function that the Kardashians are attending or hosting. You can bring one guest with you, and you will be treated as a VIP by the staff and the guests.

Having this ticket in your pocket will grant passive boosts to any skills/perks you have related to fun, networking, or fame. In addition to the boosts, post-jump you will always get VIP treatment for any event you attend (as long as you have the golden ticket in your pocket).

Earplugs (100 CP – Domestic Staff [only](#))

You have a pair of AI enhanced noise-canceling earplugs that allow you to block out any sound you don't want to hear, such as the Kardashians' arguments, complaints, or secrets. You can also listen to your own music, podcasts, or audiobooks without anyone noticing.

Butler Academy Certificate (100 CP – Domestic Staff)

You have graduated from the prestigious International Butler Academy, the best butler school in the world. You have learned the skills and etiquette of a professional butler, such as household management, personal service, communication, protocol, and hospitality.

You can handle any situation that may arise in your employer's residence, from organizing events to dealing with guests to managing staff. You have a certificate to prove your qualifications and a network of contacts in the butler industry. Whether you work for the Kardashians or any other wealthy and influential family, you will be an asset to their household and a trusted confidante.

Staff Uniform (200 CP – Domestic Staff)

You have a set of clothes that are specially designed for your role as a domestic staff member of the Kardashians or any other wealthy and influential family. The uniform is comfortable, durable, and stylish, and it adapts to any climate, occasion, or preference. It also grants you a degree of authority, respect, and trust from anyone who sees you wearing it.

Wearing the uniform also grants passive boosts to any skill/perk related to service and professionalism.

Clean-up Crew (400 CP – Domestic Staff)

You can get access to a professional cleaning service company that can clean up any kind of mess the Kardashians make. Whether it's a cake fight, a wardrobe malfunction, or a botox disaster, they will take care of it in no time. They are loyal, discreet, and efficient, and they won't spill any secrets or gossip.

They will also handle any special requests or favors for you. You can call them anytime, anywhere, and they will arrive within minutes. You'll never have to worry about the Kardashians' messes again. Post-jump, you can call for the clean-up crew anytime.

Gold Coins (400 CP – Domestic Staff **only**), add an additional 50% discount if taken with the **Butler Academy Certificate** item

You have a stash of gold coins that you acquired from your previous career before attending the International Butler Academy and eventually working for the Kardashian-Jenner family. Even though you left that old life behind, your skills are still very sharp. You keep these coins for sentimental value, or maybe you will find them useful again someday.

Trash Tabloid Subscription (50 CP), free with **Family Member** origin

You get a subscription to a trash tabloid magazine that covers the most outrageous and scandalous stories about celebrities, including you and the Kardashians. The magazine will arrive at your doorstep every week, and it will contain articles, photos, and gossip that will make you gasp, laugh, or cry. The magazine will sometimes have unflattering articles about you that enrage you, such as exposing your secrets, spreading rumors, or mocking your appearance. You can't cancel the subscription, and you can't stop yourself from reading it.

You are addicted to the trash tabloid, and you secretly enjoy the drama and the attention. Post-jump, you can import the trash tabloid subscription into any future jump setting. The downside is that you will have to deal with the mockery, the shame, and the anger of being a trash tabloid target. On the bright side, you'll always have something to read and talk about.

South Park DVD (50 CP), free with **Southparked** drawback

You get a DVD that contains an episode of South Park, the most popular and controversial animated comedy show in the world. The episode is based on the current jump you are in and features you and the other characters in the setting. The creators of the show, Trey Parker and Matt Stone, have decided to make fun of you in the most brutal and hilarious way possible (if you have selected the **Family Member** origin). They will exaggerate your flaws, ridicule your actions, and parody your situations.

They will also give you a ridiculous voice, a grotesque appearance, and a humiliating nickname. However, you will be portrayed as a neutral background character if you have selected the **Neighbor** or **Domestic Staff** origins. You can watch the episode anytime you want, and you can also show it to others if you wish.

Keeping Up with the Jumpers (50 CP)

You can get a DVD collection that contains all the episodes of Keeping Up with the Kardashians that feature you and the events of the current jump. The show is produced by Ryan Seacrest, who will also narrate and comment on your adventures. If you select the **Family Member** or **Neighbor** origin he will show your cringiest moments, such as your fails, your bloopers, and your scandals. He will also make fun of you in the most witty and savage way possible.

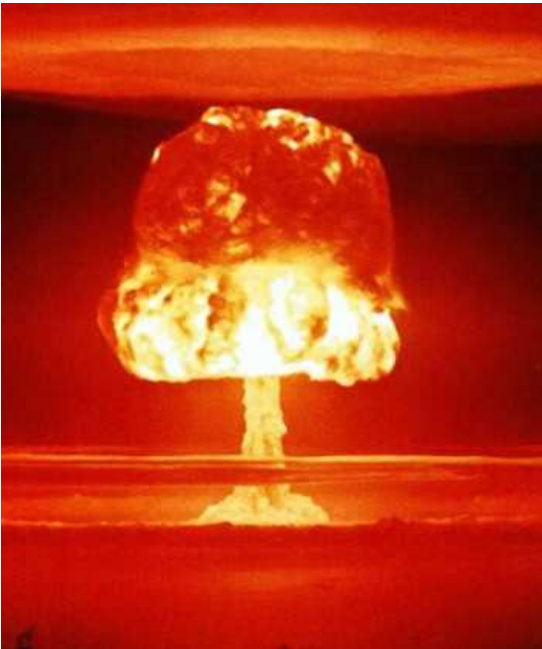

He will give you a sarcastic nickname, a hilarious catchphrase, and a ridiculous theme song. However, if you select the **Domestic Staff** origin you will have a more positive if not heroic portrayal but will just be a secondary character. You

can watch the episodes anytime you want, and you can also show them to others if you wish.

Suitcase Nuclear Bomb (1200 CP), cannot take any companions, cannot take any other items, cannot take scenarios

You have a small but powerful nuclear device that is disguised as a suitcase. You can use it to end the jumpchain early, by detonating it and destroying the Kardashians and their world. However, you can only arm it after five years have passed in this jump. This means that you must endure half of the jump before you can escape.

You will be able to keep all the perks, skills, knowledge, and experience that you have purchased or earned, and you will be able to move on to the next jump. The only catch is that you cannot bring companions, items, and you will never be able to return to this world ever again, as it will be wiped out from existence. Shame on you for taking the easy way out!

Post-Jump, the Suitcase Nuclear Bomb will be replenished in the Warehouse after use. In-jump, the Suitcase Nuclear Bomb can only be armed 5 years into the jump.

Companions

Companions are discounted 50% for respective origins while generic companions are not discounted. Pls take note of any applicable conditions in [blue](#).

The Kardashians (200 CP – Family Member)

You can't jump without them, literally. For some reason, the Kardashians have decided to tag along with you on your multiversal adventures, and there's no way to get rid of them. They will bring their drama, their glamour, their scandals, and their entourage with them wherever you go.

You are now a part of their family, whether you like it or not. You will have to deal with their problems, their enemies, their schemes, and their requests. They might also interfere with your plans, your relationships, your perks, and your items. On the plus side, they will also bring their fame, their fortune, their influence, and their resources with them. They might also help you out in some situations, or at least provide some comic relief. Whether you love them or hate them, you will never have a boring jump with the Kardashians. The entire family takes up 1 companion slot.

Ryan Seacrest (200 CP – Family Member)

The media mogul and producer of Keeping Up with the Kardashians has decided to join you on your jumpchain adventures. Ryan Seacrest is a charismatic and versatile host, who can handle any situation with ease and professionalism.

He is also a savvy businessman, who can help you with your own media ventures and connections. Ryan is loyal and supportive of you, but he also has a sense of humor and likes to prank you occasionally. He is always ready to film and document your exploits, and he might even create a spin-off show about you. Just be careful not to get on his bad side, or he might expose your secrets to the world.

As a bonus, Ryan comes with a production crew of followers, who will accompany you to every jump and turn it into a reality TV show. They will provide cameras, microphones, lighting, editing, and publicity.

You can choose to be the star of the show or let them focus on other interesting characters and events. Either way, you will gain fame, fortune, and drama in every jump. The production crew will also help you with any challenges or tasks that might arise in your jumps, as long as they make for good TV.

However, there is a catch. Ryan and his crew will also make your jumps more difficult and chaotic by introducing unexpected twists, conflicts, and surprises. They will manipulate, edit, and sensationalize your actions and interactions to create more drama and ratings. They will also invite unwanted guests, such as your enemies, rivals, exes, or random celebrities, to spice things up. You will never know what they have planned for you, and you will have no control over how they portray you to the audience. You will have to deal with the consequences of their meddling, both in your current jump and in your future ones. Are you ready for the ultimate reality TV experience?

*Special note: Ryan Seacrest and production crew have plot armor and cannot be harmed.

Kanye West (200 CP – Family Member)

The famous rapper, producer, fashion designer, and presidential candidate had decided to join you on your jumpchain adventures. Kanye is a genius, visionary, and icon, or at least that's what he thinks of himself. He is also unpredictable, eccentric, and controversial, often making headlines for his outrageous statements and actions. He has a complicated relationship with Kim Kardashian, his wife, and the mother of his four children.

He also has a rivalry with Taylor Swift, whom he famously interrupted at the 2009 MTV Video Music Awards. Kanye is a loyal and passionate companion, but also a demanding and erratic one. He will support you in your endeavors, but he will also bring his ego, his drama, his music, and his clothes with him. He will also drag you into his dramas and feuds, and make you deal with his mood swings and meltdowns. He will also try to influence your choices, your perks, your items, and your companions, according to his vision of art and greatness. He is immune to any attempts to change him, and he will always do what he wants, no matter what you say or do.

Rebel Wilson (200 CP – Neighbor)

You can recruit the hilarious and talented actress and comedian as your companion. Rebel is a star of movies like Pitch Perfect, Bridesmaids, and The Hustle, and she has a knack for making people laugh with her witty and self-deprecating humor. She is also a vocal critic of the Kardashian-Jenner clan, whom she considers to be untalented and undeserving of fame.

She will gleefully join you in trashing, shit talking, heckling, and trolling the Kardashians, and she won't hold back her sarcasm and insults. She will also help you cope with the stress and drama of living in their world, by making you laugh and having fun with you. She is Rebel Wilson, and she is a rebel with a cause.

Jonah Hill (200 CP – Neighbor)

You can recruit the hilarious and talented actor and comedian as your companion. Jonah is a star of movies like Superbad, 21 Jump Street, and The Wolf of Wall Street, and he has a knack for making people laugh with his raunchy and irreverent humor. He is also a vocal critic of the Kardashian-Jenner clan, whom he considers to be a disgrace to the entertainment industry.

He will gleefully join you in trashing, shit talking, heckling, and trolling the Kardashians, and he won't hold back his sarcasm and mockery. He will also help you cope with the stress and drama of living in their world, by making you laugh and having fun with you. He is Jonah Hill, and he is a legend.

Kathy Griffin (200 CP – Neighbor)

You can recruit the hilarious and fearless comedian and actress as your companion. Kathy is a star of stand-up comedy specials and comedy albums, and she has a knack for making people laugh with her observational humor on society, politics, and social issues. She is also a vocal critic of the Kardashian-Jenner clan, whom she considers to be super stupid and undeserving of fame. She once had to sit next to Kim at a celeb breakfast for powerful women in Hollywood, but it was hard to

have a conversation with her because "she is super stupid". She will gleefully join you in trashing, shit talking, heckling, and trolling the Kardashians, and she

won't hold back her sarcasm and insults. She will also help you cope with the stress and drama of living in their world, by making you laugh and having fun with you. She is Kathy Griffin, and she is a riot.

Bill Burr (200 CP – Neighbor)

You can recruit Bill Burr, the famous comedian and podcaster, who is known for his sarcastic and edgy humor. Bill Burr is the master of roasting people, and he will gleefully join you in trashing, shit talking, heckling, and trolling the Kardashians. He will not hold back, and he will make fun of their appearance, behavior, intelligence, and anything else that he finds ridiculous.

Bill Burr is a loyal and entertaining ally, who will make you laugh and keep you sane in this crazy world. He is Bill Burr, and he **is** the master roaster.

Robert Wennekes (200 CP – Domestic Staff)

You can recruit the founder and master of the International Butler Academy as your companion. Robert is a veteran of the private service industry, having served some of the most ultra-high-net-worth families in the world. He has deep knowledge and experience in butler service, house management, and hospitality, and he can teach and mentor you in everything you need to know to become the best professional butler. He is also a man of impeccable manners, taste, and style, and he can help you

navigate the complex and demanding world of the elite. He will mentor and guide you and offer tips and insights on how to manage the Kardashian-Jenner household, and how to deal with their quirks, dramas, and scandals. He is Robert Wennekes, and he is a butler extraordinaire.

The Sommelier (400 CP – Domestic Staff), add an additional 50% discount if the **Gold Coins** item is taken

You have recruited the refined and discreet service provider from The Continental as your companion. The sommelier is an expert in fine wines, firearms, and other luxury items, and he can provide you with the best options for your needs and preferences. He can also suggest the perfect pairing of weapons and ammunition for any occasion, using the analogy of food and wine.

He is a man of style and taste, who knows how to cater to the elite and the dangerous. He will help you keep the Kardashian-Jenner household supplied, and also assist you in any "discreet" matters that may arise. He is the sommelier, and he is a gun connoisseur.

Cassian (400 CP – Domestic Staff), add an additional 50% discount if the **Gold Coins** item is taken

You have recruited Cassian, the former chief bodyguard of Gianna D'Antonio. Cassian now works for you as a loyal and competent ally, who will help you secure the premises of the Kardashian-Jenner estate and deal with any threats that may arise. Cassian is very polite and cordial but is extra cautious not to offend or piss you off. I wonder why?

Paparazzi Pete (200 CP)

You can bring along the most persistent paparazzo in the world as your companion. He is fascinated with taking photos of you, both when you're looking fabulous and when you're not. He has plot armor, which means he can't be harmed or killed by anyone or anything, no matter how hard you or others try.

He will follow you to every jump you go to and document your adventures with his camera. He will also make photo albums for you related to each jump, but they will contain a mix of flattering and unflattering pictures of you. He will never leave you alone, but he might also provide some entertainment and insight from time to time.

Drawbacks

Valley Speak (+100 CP)

You have adopted the speech patterns and vocabulary of the Kardashians and their friends, which is often considered shallow, annoying, or unintelligent by others. You tend to use words like "like", "literally", "totally", "whatever", and "OMG" a lot, and you end your sentences with a rising intonation.

You also have difficulty expressing complex or abstract thoughts, and you often rely on slang, acronyms, or emojis.

Valley Brain (+100 CP)

You have adopted the mindset and worldview of the Kardashians and their friends, which is often considered as superficial, materialistic, or narcissistic by others. You tend to care more about your appearance, popularity, and money than anything else, and you have little interest or knowledge in other topics or issues.

You also have difficulty making rational or ethical decisions, and you often act on impulse, emotion, or peer pressure.

Brain Drain (+200 CP)

You have lost the benefits of any intelligence perks that you have acquired from other jumpchains or supplements. You are stuck with your natural intelligence level, which is below average at best. You have difficulty learning, remembering, or understanding anything that is not related to the Kardashians or their

world. You also have trouble solving problems, making plans, or thinking critically.

Pop Culture Junkie (+200 CP)

You have lost the ability to appreciate or enjoy any other form of culture besides pop culture. You can only relate to, talk about, or reference things that are related to the Kardashians or their world. You have little interest or knowledge in other topics or issues, such as history, literature, art, science, or politics. You also have difficulty communicating or connecting with anyone who is not a fan or a follower of the Kardashians.

Cringe TV (+200 CP)

You have lost the ability to watch or enjoy any other form of entertainment besides cringe reality tv shows. You can only watch shows like Keeping Up with the Kardashians, The Bachelor, Jersey Shore, or Toddlers and Tiaras. You find them addictive, hilarious, and educational, and you can't get enough of them.

Cringe Magnet (+200 CP)

You tend to attract and cause cringeworthy situations, whether it is intentional or accidental. You tend to say or do things that are awkward, embarrassing, or inappropriate, and make yourself or others uncomfortable or annoyed.

You also have difficulty recognizing or avoiding these situations, and you often make them worse by trying to fix them.

Drama Magnet (+200 CP)

You have a talent for attracting drama wherever you go. Whether it's a fight with a friend, a breakup with a partner, or a lawsuit with a neighbor, you always seem to be in the middle of it. You can't escape the drama, even if you try to hide or run away. The cameras and the paparazzi will always find you and expose your secrets.

You'll have to deal with the embarrassment, the ridicule, and the memes of being a drama magnet. On the bright side, you'll always have something to talk about on your reality show.

Botox Blowup (+200 CP)

You have a bad reaction to botox injections, which causes your face to swell up and distort. You look like a balloon animal, and you can barely move your facial muscles. You can't reverse the effects, and you have to live with them for the entire duration of the jump. You'll have to deal with the pain, the mockery, and the loss of your beauty. On the bright side, you'll always stand out in a crowd.

Public Scrutiny (+200 CP)

You are constantly under the watchful eye of the media and the public, who are eager to know everything about your personal and professional life. You have to deal with a lot of pressure, stress, and expectations from your fans, your peers, and yourself. You also have to deal with a lot of criticism, hate, and controversy from your detractors, your rivals, and your enemies.

Paparazzi Pest (+200 CP)

You have a persistent paparazzo who follows you everywhere you go. He is always trying to snap a photo of you in your most unflattering moments, such as when you're eating, sleeping, or using the bathroom. He is also very rude and annoying, constantly asking you invasive questions and making snarky comments. You can't get rid of him,

no matter what you do. He always finds a way to track you down and harass you. You'll have to deal with the frustration, the invasion of privacy, and the bad

publicity of being a paparazzi pest. On the bright side, you'll always have someone to keep you company.

South Parked (+200 CP)

You have the misfortune of being featured in an episode of South Park, the most popular and controversial animated comedy show in the world. The creators of the show, Trey Parker and Matt Stone, have decided to make fun of you and the Kardashians in the most brutal and hilarious way possible.

They will exaggerate your flaws, ridicule your actions, and parody your situations. They will also give you a ridiculous voice, a grotesque appearance, and a humiliating nickname. You can't stop them from airing the episode, and you have to watch it with the rest of the world. You'll have to deal with the mockery, the shame, and the backlash of being South Parked. On the bright side, you'll always have something to laugh at yourself.

Overbearing Momager (+300 CP) – Family Member origin only

You thought you could escape the clutches of Kris Jenner, the mastermind behind the Kardashian-Jenner empire? Think again. She has taken a keen interest in your life and career, and she won't stop until you become her next cash cow. She will micromanage every aspect of your existence, from your wardrobe to your social media, to your love life. She will arrange deals, contracts, and endorsements for you, whether you like them or not.

She will also exploit your personal dramas and scandals for ratings and publicity, and make sure you never have a moment of privacy or peace. You can try to resist her, but she has a way of making you feel guilty, indebted, or obligated to her. She is the ultimate momager, and you are her newest project.

Get Off My Lawn (+300 CP)

You have a deep and irrational hatred for the Kardashians and everything they stand for. You can't stand their presence, their voice, their face, or their name. You want them to get off your lawn, and out of your life. However, you can't do anything about it, as they are protected by plot armor, contracts, and fans.

You have to endure their antics, dramas, and scandals for the entire jump, without being able to harm or avoid them.

Ear Bleed (+300 CP)

You have a chronic and painful condition that causes your ears to bleed whenever you hear the Kardashians, or their associates speak. Their voices are like nails on a chalkboard to you, and they trigger a severe headache and nausea. You can't mute, block, or ignore them, as they are always loud, clear, and persistent.

You have to endure their chatter, whining, and screaming for the entire jump, without being able to silence, soothe, or heal yourself.

Eye Bleach (+300 CP)

You have a chronic and painful condition that causes your eyes to burn whenever you see the Kardashians or their associates. Their appearance is so repugnant, bland, or annoying to you that you wish you could gouge out your eyes. You can't avoid, block, or ignore them, as they are everywhere, and their show is always on. You have to endure their faces, bodies, and outfits for the entire jump, without being able to blind, soothe, or heal yourself.

Brain Bleach (+300 CP)

You have a constant and overwhelming desire to erase your memories of the Kardashians and their world. You find them so repulsive, boring, or annoying that you wish you could forget everything you have seen, heard, or experienced with them. However, you can't find any way to do so, as they are everywhere, and their show is always on. You have to suffer their presence, their voice, their face, and their name for the entire jump, without being able to escape, ignore, or forget them.

Scenarios

You can only take one scenario based on origin. Take note of conditions in **blue**.

Scenario I: Outwit. Outplay. Outlast. (+1000 CP – Family Member)

You are a long-lost cousin of the Kardashian-Jenner clan, who suddenly shows up at their doorstep with a sob story and a hidden agenda. You have always envied their fame and fortune, and you are determined to take it all for yourself. You are willing to do whatever it takes to outwit, outplay, and outlast your relatives, and become the most famous or infamous Kardashian of them all.

To achieve your goal, you will have to use your charm, cunning, and ruthlessness to manipulate, sabotage, and expose your family members. You will have to compete with them for media attention, endorsement deals, and social media followers. You will have to deal with their drama, scandals, and feuds, and create some of your own. You will have to face the wrath of Kris Jenner, the jealousy of Kim Kardashian, the suspicion of Khloé Kardashian, the rivalry of Kourtney Kardashian, the indifference of Kendall Jenner, and the insecurity of Kylie Jenner. You will also have to deal with their partners, exes, friends, enemies, and fans.

Will you succeed in becoming the main protagonist of the "Keeping Up with the Kardashians" show, and hog the limelight for yourself? Or will you be exposed

as a fraud, and kicked out of the family? The choice is yours, but remember: in this game, there can be only one winner.

Scenario I Reward Perk: The One and Only

You have proven yourself to be the ultimate Kardashian, and the world can't get enough of you. You have become the most famous, influential, and wealthy member of the family, and you have eclipsed all of your rivals. You have your own spin-off show, your own brand, your own fan base, and your own empire. You are the one and only Kardashian, and everyone else is just a sidekick.

This perk grants you the following benefits:

- You have a charisma and charm that is unmatched by anyone else. You can easily persuade, seduce, or manipulate anyone you want, and you have a loyal following of admirers and supporters.
- You have a knack for creating drama and controversy, and you know how to use it to your advantage. You can generate buzz and attention for yourself, and you can turn any situation into a publicity stunt. You can also handle any scandal or backlash with ease, and you can spin any story to your favor.
- You have a talent for business and entrepreneurship, and you know how to monetize your fame and image. You can create, market, and sell any product or service you want, and you have a loyal customer base. You can also negotiate,

invest, and manage your finances with skill, and you have a fortune that rivals the GDP of some countries.

- You have a sense of style and beauty that is unparalleled by anyone else. You can wear, create, or endorse any fashion or cosmetic item you want, and you have a loyal fan base. You can also change, enhance, or modify your appearance with ease, and you have a body that defies the laws of nature.

Scenario II: The Neighborhood Pest (+1000 CP – Neighbor)

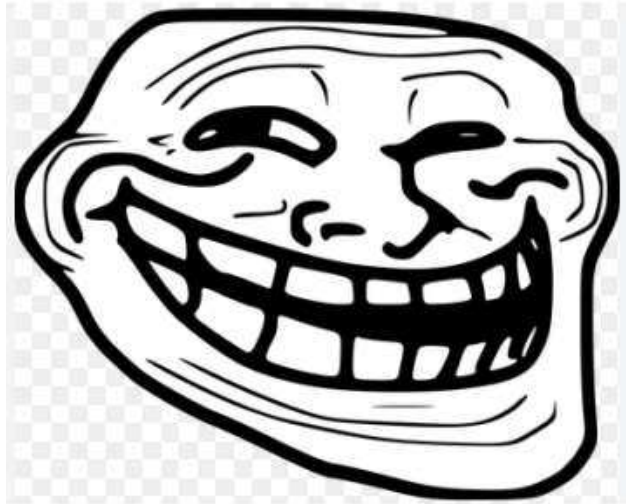

You are a neighbor of the Kardashian-Jenner clan, and you hate them with a passion. You can't stand their noise, their drama, their vanity, their extravagance, and their fame. You have made it your life's mission to trash, mock, shit talk, and troll them at every opportunity. You are the neighborhood pest, and you love it.

To achieve your goal, you will have to use your wit, creativity, and audacity to annoy, embarrass, and humiliate your neighbors. You will have to sneak into their property, hack into their devices, spread rumors about them, and expose their secrets. You will have to gate crash their events, heckle their speeches, roast their outfits, and ruin their parties. You will have to deal with their security, their lawyers, their fans, and their enemies.

Will you succeed in becoming the main antagonist and "big bad" of the "Keeping Up with the Kardashians" show, and make them regret ever living next

to you? Or will you be caught, sued, arrested, or worse? The choice is yours, but remember: in this game, there are no rules.

Scenario II Reward Perk: The Master Troll

You have proven yourself to be the ultimate troll, and the Kardashians can't get rid of you. You have become the most notorious, hilarious, and fearless neighbor of the family, and you have made them your favorite targets. You are the master troll, and you enjoy it.

This perk grants you the following benefits:

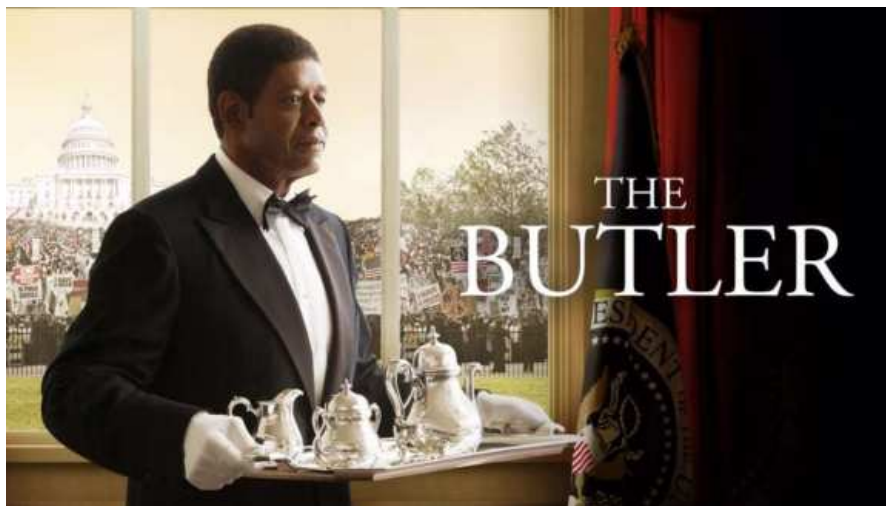

- You have a wit and creativity that is unmatched by anyone else. You can come up with the most ingenious and hilarious ways to annoy, embarrass, and humiliate anyone you want, and you have a loyal following of fans and fellow pranksters.
- You have a audacity and courage that is unparalleled by anyone else. You can sneak into any place, hack into any device, spread any rumor, and expose any secret. You can also handle any confrontation, threat, or retaliation with ease, and you can escape any situation.
- You have a immunity and luck that is unheard of by anyone else. You can get away with anything, and you never face any serious consequences for your

actions. You can also avoid any legal, financial, or physical harm, and you always land on your feet.

- You have a fun and satisfaction that is envied by anyone else. You can enjoy your life to the fullest, and you never get bored or depressed. You can also make any situation more interesting and entertaining, and you always have a good laugh.

Scenario III: The Butler (+1000 CP – Domestic Staff)

* Requires the **Butler Academy Certificate** item

You are a highly trained and qualified butler, who has just graduated from the International Butler Academy with top honors. You have impressed Robert Wennekes, the founder and chairman of the academy, with your skills and professionalism. He has personally recommended you to the Kardashian-Jenner family, who are looking for a new household manager.

You have accepted the offer, and you are now in charge of running their lavish mansion in Calabasas. You are responsible for organizing events, dealing with guests, managing staff, and ensuring that everything runs smoothly and efficiently. You are also expected to handle any situation that may arise in your employer's residence, from minor inconveniences to major emergencies.

However, you soon realize that working for the Kardashians is not as easy as it seems. You have to deal with their constant drama, their extravagant requests, their unpredictable schedules, and their eccentric personalities. You have to put out a lot of fires related to their family antics, their business ventures, their love

lives, and their media exposure. You also have to cope with the presence of Ryan Seacrest and his production staff, who are always filming their reality show and interfering with your work. And you have to watch out for the neighborhood pests, who are always trying to annoy, embarrass, or sabotage your employers.

Will you succeed in becoming the best butler and household manager that the Kardashians have ever had, and earn their respect and trust? Or will you fail to meet their expectations, and lose your job and reputation? The choice is yours, but remember: in this game, you have to be more than a butler. You have to be a miracle worker.

Scenario III Reward Perk: The Miracle Worker

You have proven yourself to be the ultimate butler and household manager, and the Kardashians can't live without you. You have become the most reliable, efficient, and loyal member of the staff, and you have earned their respect and trust. You are the miracle worker, and you deserve it.

This perk grants you the following benefits:

- You have a skill and knowledge that is unmatched by anyone else. You can organize, plan, and execute any event, task, or project with ease and perfection. You can also handle any situation, problem, or crisis with skill and professionalism.

- You have a patience and calmness that is unparalleled by anyone else. You can deal with any person, request, or demand with grace and courtesy. You can also cope with any stress, pressure, or challenge with ease and confidence.

- You have a loyalty and discretion that is unheard of by anyone else. You can protect, serve, and support your employers with dedication and honesty. You can also keep any secret, information, or evidence with integrity and confidentiality.

- You have a reward and recognition that is envied by anyone else. You can enjoy a generous salary, a comfortable accommodation, and a prestigious reputation. You can also receive a gratitude, a praise, and a recommendation from your employers.

Scenario IV: Dealing in Discretion (+1000 CP – Domestic Staff)

* Requires the **Gold Coins** item

You are a former assassin who left the underworld to become a butler and work for the Kardashian-Jenner household. You have been loyal, efficient, and discreet, and you have a good working relationship with them. You have also kept your past a secret, and you have no intention of going back to your old life.

However, everything changes when the Kardashian girls sneak out of the house, without you knowing, to party at the Red Circle club. There, they encounter Iosef Tarasov, the son of a powerful Russian mob boss, and his goons.

Iosef takes a liking to Kim, but she rejects him. He then decides to teach her a lesson, and he beats her up, kills her dog, and steals her car.

When you find out what happened, you are furious. You have grown fond of the Kardashians, and you consider them your family. You will not let anyone hurt them or disrespect them. You decide to dig up your guns and go after Iosef Tarasov.

You inform Kris and Bruce Jenner of your plan, and they give you their blessing. They also tell you to keep it discreet, and not to involve the police or the media.

You agree, and you tell them that you are going on a "business trip" to deal with the Tarasov mafia.

You are back to being the Baba Yaga, the boogeyman of the underworld. You track down Iosef and his men, and you unleash your wrath upon them. You shoot, stab, and strangle your way through their ranks, leaving a trail of blood and bodies behind you. You face various obstacles and enemies, such as Viggo Tarasov, Iosef's father, who puts a bounty on your head, Marcus, your former mentor, who betrays you, and Perkins, a female assassin, who tries to kill you. You also encounter some allies, such as Winston, the owner of the Continental Hotel, a safe haven for assassins, and Harry, a fellow hitman, who helps you out.

Will you succeed in avenging the Kardashians, and killing Iosef Tarasov? Or will you die trying, and leave the Kardashians without a butler? The choice is yours, but remember: in this game, you have to be more than a butler. You have to be a legend.

Scenario IV Reward Perk: The Legend

You have proven yourself to be the ultimate assassin and butler, and the Kardashians are grateful to you. You have avenged them, and killed Iosef Tarasov, the son of a powerful Russian mob boss. You have also survived the onslaught of the underworld and escaped with your life. You are the legend, and you own it.

This perk grants you the following benefits:

- You have a skill and reputation that is unmatched by anyone else. You can kill anyone, anywhere, anytime, with any weapon. You are also feared and respected by everyone in the criminal underworld, and no one dares to cross you.
- You have a loyalty and gratitude that is unparalleled by anyone else. You can protect, serve, and support the Kardashians with dedication and honesty. You are also rewarded and praised by them, and they treat you as one of their own.
- You have an immunity and protection that is unheard of by anyone else. You can get away with anything, and you never face any legal, financial, or physical harm. You are also protected by the rules and rituals of the Continental Hotel, a safe haven for assassins.
- You have a fun and satisfaction that is envied by anyone else. You can enjoy your life to the fullest, and you never get bored or depressed. You can also make any situation more interesting and thrilling, and you always have a good time.

Conclusion

Go Home: You decide that you have had enough of the Kardashians and their drama, and you want to go back to your old life. You pack your bags, leave a note, and hop on a plane. You don't care about the consequences; you just want to be free. You go home, wherever that is, and hope to find some peace and quiet.

Stay: You decide that you have grown fond of the Kardashians and their lifestyle, and you want to stay with them. You enjoy your job, your perks, and your family. You don't mind the challenges; you just want to be happy. You stay and hope to find some love and fun.

Move On: You decide that you have learned a lot from the Kardashians and their adventures, and you want to move on to a new challenge. You thank them, say goodbye, and take a new offer. You don't know what awaits you, you just want to be adventurous. You move on and hope to find some excitement and thrill.
